Brief Description: Modifying provisions regarding public waters.

**HB 1980 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Revises provisions relating to withdrawal of public ground waters.

Revises requirements for evidence of potable water supplies prior to issuance of building permits.

Prohibits the establishment of a public water system, after January 1, 1994, unless it is owned and operated by a satellite system management agency in accordance with RCW 70.116.134.
