Brief Description: Allowing state agencies to make purchases based on the lowest cost.

**HB 2129 - DIGEST**

(DIGEST AS ENACTED)

Authorizes an agency to purchase material, supplies, services, and equipment for which the agency has notified the purchasing and material control director that it is more cost-effective to make the purchase directly from the vendor.

Provides for the development of a standard notification form for state agencies to report cost-effective direct purchases.

Requires a report to the legislature on the volume and types of purchases made and the aggregate savings from the authorized purchase.
