Brief Description: Copying public records.

**HB 2465-S - DIGEST**

(AS OF HOUSE 2ND READING 2/12/94)

Requires public agencies to establish and make available a statement of the actual per page cost that it charges for providing copies of public records and a statement of the factors used to determine the costs.

Provides that, in the absence of an actual determination of costs, an agency may not charge more than eighteen cents per page.
