

2511

Sponsor(s): Representatives Leonard, Cooke, Thibaudeau, King and Ogden; by request of Department of Social and Health Services

Brief Description: Petitioning for involuntary treatment.

HB 2511 - DIGEST

(DIGEST AS ENACTED)

Provides for involuntary treatment of persons who present a likelihood of serious harm to himself or herself, to any other person, or to property.

Declares an intent that the citizens advisory council be represented by citizens who are former recipients of a chemical dependency recovery program.
