

2634

Sponsor(s): Representative R. Fisher; by request of Department of Licensing

Brief Description: Providing for motorcycle safety program subsidies.

HB 2634 - DIGEST

Institutes a motorcycle skills education course and requires a trainee to pay the first fifty dollars of the course fee with the department paying the remainder of the fee.

Requires a license to conduct the training and requires an instructor to attend seventy hours of training as an instructor.

Establishes procedures for suspension or revocation of a license, including appeal procedures.
