

2878

Sponsor(s): Representatives Ogden, Jacobsen, Cothorn and Moak

Brief Description: Authorizing allotment of state funds for rehabilitating or restoring an existing school building listed or eligible to be listed as an historic property.

HB 2878 - DIGEST

Finds that historic schools are often structural reminders of our shared heritage.

Encourages the preservation, when feasible, of such buildings, so that they may serve future generations as ably as they did past generations.
