Brief Description: Requiring all employers to provide health care coverage for employees on July 1, 1997.

HB 2896 - DIGEST

Revises provisions of chapter 43.72 RCW relative to seasonal employees.

Provides that, on July 1, 1997, all dependents of qualified employees in all firms shall be offered a choice of packages with the employer paying no less than fifty percent of the premium of the lowest cost package within their geographic region.
