Brief Description: Providing for a ten-day period to repair a vehicle before a traffic infraction may be issued for defective equipment.

SB 5020.E - DIGEST

(AS OF SENATE 2ND READING 2/1/94)

Authorizes law enforcement officers to issue a mandatory repair notice and a traffic citation if repairs are not timely made.

Prohibits the motorist from driving the vehicle until it is repaired if the defect poses an imminent danger to the driver or others.
