

5395-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Skratek and Erwin)

Brief Description: Involving the public in transportation planning.

SB 5395-S - DIGEST

(AS OF SENATE 2ND READING 3/17/93)

Allows the department to actively solicit public input concerning selected transportation projects.

Designates the activities which the department should undertake to obtain public input.

Prescribes additional duties of the department to ensure that information regarding the projects is furnished to the citizens of the state.
