Brief Description: Concerning the health and safety of farmworkers' housing.

SB 6087 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Prohibits an operator of a farmworker housing site from housing employees without first obtaining a license from the department of health.

Provides penalties for failure to obtain a license.

Requires the department to inspect the housing site for compliance with the standards established by the act.

Provides for a compliance schedule which the operator must meet to retain a license when violations are found.

Revises inspection fee schedules.
