Sponsor(s): Senate Committee on Ecology & Parks (originally sponsored by Senator Fraser)

Brief Description: Revising local government powers with respect to on-site septic system inspection and maintenance programs.

SB 6104-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Expands the authority of local governments to implement and operate a system of sewerage as defined by RCW 35.67.010 and 36.94.010.

Requires a study of the water quality account to develop recommendations for new methods of distributing the funds after the current statutory allocation formula expires.

Requires all on-site septic systems located in sensitive areas to conform to minimum state standards.
