Brief Description: Establishing a reasoned set of criteria for rule making.

**SB 6129 - DIGEST**

Declares that the purpose of the act is to:

- (1) Strengthen the current rule-making process by addressing and articulating a response to public input;
- (2) Establish a reasoned set of criteria for adopting rules so that agencies are accountable for rules; and
- (3) Enhance the quality of rules that are adopted by ensuring a consistent, well thought-out basis for every rule.
