

6555-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Prentice, Nelson, Vognild, Sheldon, Oke and Winsley)

Brief Description: Coordinating local government approvals for major transportation projects.

SB 6555-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Encourages local governments to coordinate their regulatory decisions by considering the range of local, state, and federal requirements for major transportation projects and to consolidate the processes for reviewing planning and permitting requirements for those projects that cross more than one city or county boundary.
