Brief Description: Correcting an error in the 1993 health care reform act.

SB 6607 - DIGEST

Clarifies that revenues received by nonprofit and public hospitals from governmental entities for health and social services are subject to the business and occupation tax as intended by chapter 492, Laws of 1993.

Provides that, for the purposes of RCW 82.04.4297, the term "health or social welfare organization" does not include nonprofit corporations.

Revises permitted expenditures from the health services account for specified programs if the act is not implemented on April 1, 1994.
