3 On page 12, after line 37, insert:

4 "(6) Nothing in this chapter shall prevent a county from
5 including as part of the urban growth area established under this
6 section any area which prior to July 1, 1990, both: (a) Was
7 designated for urban growth activity under an officially adopted
8 county plan; and (b) had development permits submitted to the
9 county implementing that urban designation."

EFFECT: Permits a county to include an area as part of an urban growth area if, prior to the effective date of the Growth Management Act, both the area had been designated for urban growth activity by a county plan and development permits implementing this urban designation had been submitted.
