18   "<u>NEW SECTION.</u> **Sec. 8.**   The legislature finds that the health
19 impact of the use of tobacco products continues to be a major problem
20 in Washington state. The state spends millions of dollars each year to
21 provide or pay for health care and other necessary facilities and
22 services on behalf of indigents and other eligible citizens whose
23 health care costs are directly caused by tobacco-induced cardiovascular
24 diseases, lung cancer, emphysema, and other respiratory diseases.
25   The legislature intends that some of the revenues raised from the
26 sale of cigarettes be used to pay for some of the smoking-related
27 health care costs incurred by the state.
28   The tobacco-related illness reimbursement account is created in the
29 state treasury. All receipts from the increases scheduled to take
30 effect after June 30, 1995, under RCW 82.24.020(3) shall be deposited
31 into the account. Moneys in the account shall be used to pay for
32 medical costs associated with the impact of using tobacco.
33   Moneys in the account may be spent only after appropriation."
