6 "Sec. 4. RCW 43.160.212 and 1995 c 226 s 6 are each amended to
7 read as follows:

8 (1) For the period beginning July 1, 1991, and ending June 30,
9 1997, in rural natural resources impact areas the public works board
10 may award low-interest or interest-free loans to local governments for
11 construction of new or expanded public works facilities that stimulate
12 economic growth or diversification.

13 (2) For the period beginning on the effective date of this act and
14 ending June 30, 1997, areas in zip codes immediately adjacent and
15 contiguous to rural natural resource impact areas within the same
16 county are eligible for loans under this section if a significant
17 benefit can be shown for underemployed or unemployed workers living in
18 rural natural resource impact areas, and there is projected to be at
19 least eight hundred million dollars in private sector investment within
20 six years in a project benefitting from such loans.

21 (3) For the purposes of this section and section 27, chapter 314,
22 Laws of 1991:

24 water, sanitary sewer, and storm sewer systems.

29 (ii) A nonurbanized area, as defined by the 1990 decennial census,
30 that is located in a metropolitan county that meets two of the five
31 criteria set forth in subsection ~~((3))~~ (4) of this section.

32 ~~((3))~~ (4) For the purposes of designating rural natural resources
33 impact areas, the following criteria shall be considered:

8 average. The counties that meet these criteria shall be determined by
9 the employment security department for the most recent year for which
10 data is available. For the purposes of administration of programs
11 under this chapter, the United States post office five-digit zip code
12 delivery areas will be used to determine residence status for
13 eligibility purposes. For the purpose of this definition, a zip code
14 delivery area that is located wholly or partially in an urbanized area
15 or within two miles of an urbanized area is considered urbanized. The
16 office of financial management shall make available a zip code listing
17 of the areas to all agencies and organizations providing services under
18 this chapter.

19 ~~((+4))~~ (5) The loans may have a deferred payment of up to five
20 years but shall be repaid within twenty years. The public works board
21 may require other terms and conditions and may charge such rates of
22 interest on its loans as it deems appropriate to carry out the purposes
23 of this section. Repayments shall be made to the public works
24 assistance account.

25 ~~((+5))~~ (6) The board may make such loans irrespective of the
