6 services,"

7 On page 4, line 17, after "rule" insert ", however, the exemption
8 in this subsection (5)(b)(iii) does not apply if the rule adopted is
9 the rule of another Washington state agency, which rule was not adopted
10 in accordance with this section. Any doubts as to whether this
11 requirement has been met shall be resolved in favor of causing the
12 rules to be subjected to the requirements of this section"

13 EFFECT: Requires the department of social and health services to
14 adhere to rule-making standards such as rule justification, plan for
15 rule implementation and requires coordination with other agencies
16 having shared subject matter jurisdiction, including enforcement
17 authority. Excludes adherence to rule-making provisions for a rule
18 mirroring that of another state agency only when that rule,
19 previously adopted, underwent rule-making and adoption scrutiny.
