22 charter schools has been inhibited due to the lack of a state-level  
23 appeal process for charter school applicants that are denied by  
24 school district boards of directors. If the institute finds that  
25 the establishment of charter schools has been inhibited due to the  
26 lack of a state-level appeal process, it shall make recommendations  
27 regarding the establishment of a state board for charter schools  
28 that would be authorized to sponsor charter schools. The  
29 institute's findings and recommendations shall be submitted to the  
30 education policy committees of the house of representatives and the  
31 senate by November 15, 1998."

On page 9, after line 11, insert the following:

"NEW SECTION. **Sec. 10.** INFORMATION AND TECHNICAL ASSISTANCE.  
The superintendent of public instruction shall disseminate information about procedures for the establishment, funding, and operation of charter schools, and shall provide technical assistance to charter school applicants in the preparation of applications, to school district boards of directors in considering applications, and to charter school governing boards in matters related to the educational program, management, and financial operation of the charter school."

On page 11, beginning on line 28, strike Section 12 in its entirety.

Renumber remaining sections and correct internal references accordingly.

**EFFECT:** Eliminates the State Board for Charter Schools. Requires an analysis by November 1998 as to whether the lack of a state-level appeal process has inhibited the creation of charter schools. If so, recommendations are to be made to the Legislature regarding the creation of a State Board for Charter Schools. Requires SPI to provide technical assistance.
