7 "NEW SECTION. **Sec. 1.** (1) Except as provided in subsection (4) of  
8 this section for the initial registration of an instrument or device,  
9 no weighing or measuring instrument or device may be used for  
10 commercial purposes in the state unless its commercial use is  
11 registered annually. If its commercial use is within a city that has  
12 a city sealer and a weights and measures program as provided by RCW  
13 19.94.280, the commercial use of the instrument or device shall be  
14 registered with the city if the city has adopted fees pursuant to  
15 subsection (2) of this section. If its commercial use is outside of  
16 such a city, the commercial use of the instrument or device shall be  
17 registered with the department.

18 (2) A city with such a sealer and program may establish an annual  
19 fee for registering the commercial use of such a weighing or measuring  
20 instrument or device with the city. The annual fee shall not exceed  
21 the fee established in RCW 19.94.175 for registering the use of a  
22 similar instrument or device with the department. Fees upon weighing  
23 or measuring instruments or devices within the jurisdiction of the city  
24 that are collected under this subsection by city sealers shall be  
25 deposited into the general fund, or other account, of the city as  
26 directed by the governing body of the city.

27 (3) Registrations with the department are accomplished as part of  
28 the master license system under chapter 19.02 RCW. Payment of the  
29 registration fee for a weighing or measuring instrument or device under  
30 the master license system constitutes the registration required by this  
31 section.

32 (4) The fees established by or under RCW 19.94.175 for registering  
33 a weighing or measuring instrument or device shall be paid to the  
34 department of licensing concurrently with an application for a master  
35 license or with the annual renewal of a master license under chapter  
36 19.02 RCW. A weighing or measuring instrument or device shall be

1 initially registered with the state at the time the owner applies for  
2 a master license for a new business or at the first renewal of the  
3 license that occurs after the instrument or device is first placed into  
4 commercial use. However, the use of an instrument or device that is in  
5 commercial use on the effective date of this act shall be initially  
6 registered at the time the first renewal of the master license of the  
7 owner of the instrument or device is due following the effective date  
8 of this act. The department of licensing shall remit to the department  
9 of agriculture all fees collected under this provision less reasonable  
10 collection expenses.

11 (5) Each city charging registration fees under this section shall  
12 notify the department of agriculture at the time such fees are adopted  
13 and whenever changes in the fees are adopted.

14 NEW SECTION. **Sec. 2.** (1) Except as provided in subsection (3) of  
15 this section and RCW 19.94.190(1)(d), the department shall test and  
16 inspect each biennium a sufficient number of weighing and measuring  
17 instruments and devices to ensure that the provisions of this chapter  
18 are enforced.

19 (2) The department may issue an official seal of approval for each  
20 weighing or measuring instrument or device that has been tested and  
21 inspected and found to be correct.

22 (3) Except as provided in RCW 19.94.216, this section does not  
23 apply to weighing or measuring instruments or devices located in an  
24 area of the state that is within a city that has a city sealer and a  
25 weights and measures program pursuant to RCW 19.94.280 unless the city  
26 sealer does not possess the equipment necessary to test and inspect the  
27 weighing or measuring instrument or device.

28 **Sec. 3.** RCW 19.94.005 and 1992 c 237 s 1 are each amended to read

24 ~~procedures to be used for such weighing or measuring instruments or~~  
25 ~~devices which shall include requirements for the provision,~~  
26 ~~maintenance, and transport of any weight or measure standard necessary~~  
27 ~~for inspection and testing at no expense to the state. The department~~  
28 ~~may collect a reasonable fee, to be set by rule, for inspecting and~~

3 and mark or tag as rejected any such weighing or measuring instrument  
4 or device.

5 (2) The director or a city sealer may reject or seize any weighing  
6 or measuring instrument or device found to be incorrect that, in his or
