3 By Senators Fairley and Heavey

4 On page 1, line 9, before "The" insert "(1)"

5 On page 1, after line 15, insert the following: "(2) This exemption
6 does not apply to the issuance, reissuance, or modification of a waste
7 discharge permit that permits the discharge of a substance not
8 previously subject to effluent limitations in the waste discharge
9 permit for the facility discharging the substance."

10 Renumber the sections consecutively and correct any internal
11 references accordingly.

12 **EFFECT:** Limits the SEPA exemption to renewal of permits for the
13 same substances covered in the existing permit. If a new substance
14 will be discharged, or a substance will be addressed through the
15 permit that was not previously regulated, the permit renewal would
16 not be exempt from SEPA review.
