

2 **ESHB 2828** - S COMM AMDS

3 By Committee on Energy, Telecommunications & Utilities

4 ADOPTED 3/1/96

5 On page 4, after line 7, insert the following:

6 NEW SECTION. **Sec. 6.** A new section is added to chapter 43.70 RCW  
7 to read as follows:

8 Unless this section is preempted by applicable federal statutes,  
9 the department may require that in residential zones or areas, all  
10 providers of personal wireless services, as defined in section 1 of  
11 this act, provide random test results on power density analysis for the  
12 provider's licensed frequencies showing radio frequency levels before  
13 and after development of the personal wireless service antenna  
14 facilities, following national standards or protocols of the federal  
15 communications commission or other federal agencies. This section  
16 shall not apply to microcells as defined in section 1 of this act. The  
17 department may adopt rules to implement this section.

18 Renumber the sections consecutively and correct any internal  
19 references accordingly

20 **EFFECT:** Gives the Department of Health authority to require  
21 testing before and after the development of non-microcell wireless  
22 service antenna facilities.

23 On page 1, line 4, strike "a new section" and insert "new sections"

24 **EFFECT:** Title amendment.
