1 EFFECT: This amendment removes the requirement that local planning
2 departments include federal, state, and tribal laws and review
3 procedures in the materials available to permit applicants.
4 The amendment also changes the format in which local governments'
5 planning regulations shall be presented, from a handbook to handouts.
6 Finally, the amendment changes the type of help that the permit
7 assistance staff must provide. Rather than advice, the permit
8 assistance staff must give assistance.
