3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 49.26.013 and 1989 c 154 s 2 are each amended to read
5 as follows:

6 (1) Any owner or owner's agent who allows or authorizes any
7 construction, renovation, remodeling, maintenance, repair, or
8 demolition project which has a reasonable possibility, as defined by
9 the department, of disturbing or releasing asbestos into the air, shall
10 perform or cause to be performed, using practices approved by the
11 department, a good faith inspection to determine whether the proposed
12 project will disturb or release any material containing asbestos into
13 the air.

14 Such inspections shall be conducted by persons meeting the
15 accreditation requirements of the federal toxics substances control
16 act, section 206(a) (1) and (3) (15 U.S.C. 2646(a) (1) and (3)).

17 An inspection under this section is not required if the owner or
18 owner's agent is reasonably certain that asbestos will not be disturbed
19 or assumes that asbestos will be disturbed by a project which involves

1 construction, renovation, remodeling, maintenance, repair, or
2 demolition and takes the maximum precautions as specified by all
3 applicable federal and state requirements.

4 (2) Except as provided in RCW 49.26.125, the owner or owner's agent
5 shall prepare and maintain a written report describing each inspection,
6 or a statement of assumption of the presence or reasonable certainty of
7 the absence of asbestos, and shall ~~((make))~~ provide a copy of the
8 written report or statement ~~((available))~~ to all contractors before
9 they apply or bid on work. In addition, upon written or oral request,
10 the owner or owner's agent shall make a copy of the written report
11 available to: (1) The department of labor and industries; (2)
12 contractors; and (3) the collective bargaining representatives or
13 employee representatives, if any, of employees who may be exposed to
14 any asbestos or material containing asbestos. A copy shall be posted
15 as prescribed by the department in a place that is easily accessible
16 to such employees.

17 **Sec. 2.** RCW 49.26.016 and 1989 c 154 s 3 are each amended to read
18 as follows:

19 (1) Any owner or owner's agent who allows the start of any
20 construction, renovation, remodeling, maintenance, repair, or
21 demolition without first (a) conducting the inspection and preparing
22 and maintaining the report of the inspection, or preparing and
23 maintaining a statement of assumption of the presence or reasonable
24 certainty of the absence of asbestos, as required under RCW 49.26.013;
25 and (b) preparing and maintaining the additional written description of
26 the project as required under RCW 49.26.120 shall be subject to a
27 mandatory fine of not less than two hundred fifty dollars for each
28 violation. Each day the violation continues shall be considered a
29 separate violation. In addition, any construction, renovation,
30 remodeling, maintenance, repair, or demolition which was started
31 without meeting the requirements of RCW 49.26.013 and 49.26.120 shall
32 be halted immediately and cannot be resumed before meeting such
33 requirements.

34 ~~((It is the responsibility of any contractor registered under~~
35 ~~chapter 18.27 RCW to request a copy of the written report or statement~~
36 ~~required under RCW 49.26.013 from the owner or the owner's agent.))~~ No
37 contractor may commence any construction, renovation, remodeling,
