2 amending RCW 51.14.090 and 51.32.190.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            **Sec. 1.** RCW 51.14.090 and 1983 c 21 s 1 are each amended to read  
5 as follows:

6            (1) Upon the petition of any employee or union or association  
7 having a substantial number of employees in the employ of the self-  
8 insurer the director (~~shall~~) or the director's designee may, in the  
9 director or designee's sole discretion, hold a hearing to determine  
10 whether or not there are grounds for the withdrawal of certification of  
11 a self-insurer or for corrective action by the department.

12            (2) The director shall serve upon the self-insurer and upon any  
13 employee or union or association having a substantial number of  
14 employees in the employ of said self-insurer, personally or by  
15 certified mail, a notice of intention to withdraw, or not to withdraw,  
16 certification of the self-insurer, which notice shall describe the  
17 nature and location or locations of the plants or operations involved;  
18 and the specific nature of the reasons for the decision. Similar  
19 notice shall be provided for decisions regarding corrective actions.

1 The corrective action notice shall also include a directive to the  
2 self-insurer specifying the program deficiencies to be eliminated.

3 (3) If the decision is to withdraw certification, it shall include:  
4 The period of time within which the ground or grounds therefor existed  
5 or arose; (~~a directive to the self-insurer specifying the manner in~~  
6 which the grounds may be eliminated;)) and the date, not less than  
7 ((~~thirty~~)) ninety days after the self-insurer's receipt of the notice,  
8 when the certification will be withdrawn (~~in the absence of a~~  
9 satisfactory elimination of the grounds for withdrawal of the  
10 certificate)).

11 (4) An appeal of any action taken by the director under this  
12 section may be taken by the self-insurer, or by any employee or union  
13 or association having a substantial number of employees in the employ  
14 of the self-insurer. Proceedings on the appeal shall be as prescribed  
15 in this title. Appeal by a self-insurer of notice of intention to  
16 withdraw certification or to take corrective action shall not act as a  
17 stay of the withdrawal or corrective action, unless the board or court,  
18 for good cause shown, orders otherwise.

19 (5) The director may adopt rules to carry out the purposes of this  
20 section.

27 self-insurer has notice of the claim.

28 (2) Until such time as the department has entered an order in a  
29 disputed case acceptance of compensation by the claimant shall not be  
30 considered a binding determination of his or her rights under this  
31 title. Likewise the payment of compensation shall not be considered a  
32 binding determination of the obligations of the self-insurer as to  
33 future compensation payments.

34 (3) Upon making the first payment of income benefits, (~~and upon~~  
35 stopping or changing of such benefits except where a determination of

6 payable, the first payment thereof shall be made within fourteen days  
7 after notice of claim and shall continue at regular semimonthly or  
8 biweekly intervals.

9 (4) If, after the payment of compensation without an award, the  
10 self-insurer elects to controvert the right to compensation, the  
11 payment of compensation shall not be considered a binding determination  
12 of the obligations of the self-insurer as to future compensation  
13 payments. The acceptance of compensation by the worker or his or her  
14 beneficiaries shall not be considered a binding determination of their  
15 rights under this title.

17 time in a case in which payments are being made without an award((7))i  
18 and (b) shall, upon receipt of information from any person claiming to

21 compensation has been opposed, stopped or changed, whether or not claim  
22 has been filed, promptly make such inquiry as circumstances require,  
23 cause such medical examinations to be made, hold such hearings, require  
24 the submission of further information, make such orders, decisions or  
25 awards, and take such further action as he or she considers will  
26 properly determine the matter and protect the rights of all parties.

27 (6) The director, upon his or her own initiative, may make such  
28 inquiry as circumstances require or is necessary to protect the rights  
29 of all the parties and he or she may enact rules and regulations
