Sponsor(s): House Committee on Education (originally sponsored by Representatives Ogden, Carlson, Casada, Cole, Quall, Benton, Pennington, Thibaudeau, Cooke, Boldt and Huff)

Brief Description: Changing provisions relating to instruction in Braille.

HB 1078-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares that students may receive instruction in Braille reading and writing as part of their individualized education program.

Requires the instruction to be sufficient to enable the student to communicate effectively at a level commensurate with the student's sighted peers.

Establishes a process for special education teachers responsible for the education of visually impaired children to demonstrate competency in reading and writing Braille.
