**Secretary of State
State of Washington**

HOUSE BILL 1019

Passed Legislature - 1997 Regular Session

AS AMENDED BY THE SENATE

State of Washington 55th Legislature 1997 Regular Session

By Representatives Honeyford, Ogden, D. Sommers and Mason; by request of Public Works Board

Read first time 01/13/97. Referred to Committee on Capital Budget.

1 AN ACT Relating to appropriations for projects recommended by the
2 public works board; amending RCW 43.155.060; creating new sections;
3 making an appropriation; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** Pursuant to chapter 43.155 RCW, the
6 following project loans recommended by the public works board are
7 authorized to be made with funds previously appropriated from the
8 public works assistance account:

- 9 (1) City of Blaine--sanitary sewer project--construct new grit channel,
10 chlorine contact chambers, and chlorination/dechlorination facility and
11 sludge dewatering equipment. Replacement of rotating biological
12 contactors and secondary clarifiers with sequencing batch reactors
13 \$2,318,037
14 (2) City of Blaine--sanitary sewer project--replace sewer lines between
15 peace portal drive and pump station no. 1 on Marine Drive, including
16 nine manholes, curb and gutter removal, and roadway repair
17 \$593,365

- 1 (3) City of Bremerton--sanitary sewer project--separating the combined
2 sewer and storm water drainage systems, separating roof drains, and
3 other measures to reduce overflows \$662,000
- 4 (4) City of Buckley--sanitary sewer project--reduce l/l problem by
5 installing a sanitary sewer and storm pipe, conversion of existing
6 sewer mains to storm water, and construction of an aerobic digester
7 \$1,200,000
- 8 (5) Covington Water District--domestic water project--provide
9 facilities for dosing chemicals for disinfection and PH adjustment
10 \$1,596,000
- 11 (6) Grays Harbor County--sanitary sewer project--transitioning from
12 failing individual on-site systems to and upgraded and expanding
13 treatment facility with twenty-five mgd advanced secondary wastewater
14 treatment facility \$4,000,000
- 15 (7) City of Ilwaco--sanitary sewer project--replacement of side sewer
16 lines in two city sewer basins in order to meet department of health
17 compliance order \$193,500
- 18 (8) City of Ilwaco--domestic water project--install a steel forty-two
19 thousand gallon aeration basin and a one hundred pound per day ozone
20 generating and injection unit upstream from the existing water filter
21 to improve water quality \$477,000
- 22 (9) Mason County PUD No. 1--domestic water project--rehabilitation/
23 improvements through the replacement of existing water system
24 facilities, thereby supplying a reliable and safe source of potable
25 water \$1,551,870
- 26 (10) City of Medical Lake--sanitary sewer project--installation of an
27 advanced wastewater treatment facility, consisting of a sequential
28 batch reactor with rotary fine screens; grit chamber; equalization
29 basin; effluent filters; batch aeration basins; ultraviolet radiation
30 disinfection; ten thousand lineal feet of force main; one lift station
31 and a composting facility \$4,620,000
- 32 (11) City of Puyallup--sanitary sewer project--provide enhanced removal
33 of pollutants from the community's wastewater to comply with a
34 department of ecology order \$7,000,000
- 35 (12) City of Quincy--road project--repair/replacement of damaged
36 portions of curb, gutter, and sidewalk; consisting of grading, drainage
37 improvements, crushed rock base, asphalt concrete pavement, curb and
38 gutter, sidewalk, and illumination. Replacement of malfunctioning
39 railroad crossing signal system \$449,995

| | | |
|----|---|--------------|
| 1 | (13) Town of Rosalia--domestic water project--construct a new three | |
| 2 | hundred thousand gallon water reservoir, replacement of an antiquated | |
| 3 | booster pump station | \$216,900 |
| 4 | (14) City of Seattle--bridge project--replace steel deck grating on the | |
| 5 | University and Fremont bridges, install truss protection railing, and | |
| 6 | rehabilitate the centerlock | \$3,284,640 |
| 7 | (15) City of Woodland--domestic water project--provide water collection | |
| 8 | laterals, transmission main, a new filtration plant with one hundred | |
| 9 | thousand gallon wet well storage, and filters that will enhance the | |
| 10 | existing well water source | \$1,797,000 |
| 11 | (16) Emergency Public Works Loans--as authorized by RCW 43.155.065 | |
| 12 | | \$1,898,649 |
| 13 | Section 1 total | \$31,858,956 |

14 NEW SECTION. **Sec. 2.** An appropriation of \$25,000,000 for the
15 biennium ending June 30, 1997, is hereby made from the public works
16 assistance account to the department of community, trade, and economic
17 development for the purposes of providing funds for the following
18 project loans recommended by the public works board:

| | | |
|----|--|-------------|
| 19 | (1) City of Blaine--sanitary sewer project--replace seventy-year-old | |
| 20 | sewer system with new sanitary sewers | \$332,700 |
| 21 | (2) City of Bonney Lake--domestic water project--installation of a new | |
| 22 | two million gallon reservoir to meet department of health | |
| 23 | requirements | \$953,595 |
| 24 | (3) Public Utility District No. 1 of Chelan County--domestic water-- | |
| 25 | construction of a five hundred thousand gallon concrete reservoir and | |
| 26 | appurtenances, approximately two hundred lineal feet of eight-inch | |
| 27 | water main for connection to existing distribution system, and site | |
| 28 | restoration to comply with department of health requirements | |
| 29 | | \$390,950 |
| 30 | (4) Coal Creek Utility District--domestic water project--replace | |
| 31 | approximately ten thousand six hundred lineal feet of water main and | |
| 32 | construct two water chlorination facilities | \$747,425 |
| 33 | (5) Covington Water District--domestic water project--replace | |
| 34 | approximately twenty-three thousand five hundred lineal feet of leaky | |
| 35 | distribution service lines and connections at Timberlane Estates | |
| 36 | | \$1,389,500 |

1 (6) Cross Valley Water District--domestic water project--construct a
2 water treatment facility including appurtenances, buildings, and
3 equipment for production wells no. 5, 6, and 10 \$945,770

4 (7) City of Duvall--domestic water project--replace two thousand three
5 hundred lineal feet of ten-inch ac water main, install a backup
6 generator, demolish and remove two fifty-five thousand gallon
7 reservoirs and install a one thousand gpm pump station
8 \$298,491

9 (8) Fall City Water District--domestic water project--replace water
10 lines on SE 48th, 328th Way SE, Preston-Fall City Road, also replace
11 Heathercrest water tank, and service the Riverview Park
12 \$211,750

13 (9) Highline Water District--domestic water project--replacement of
14 approximately twenty-three thousand seven hundred fifty lineal feet of
15 water main to improve water quality \$1,261,176

16 (10) City of Leavenworth--sanitary sewer--design and construct
17 improvements to wastewater treatment plant and wastewater collection
18 system; including seven hundred fifty thousand gallon oxidation ditch,
19 a third clarifier, modification/improvements to return to activated
20 sludge pumping, and an ultraviolet disinfection system
21 \$2,915,000

22 (11) City of Monroe--domestic water project--replace Ingraham Hill
23 reservoir with a two million gallon water tank and a two million gallon
24 water standpipe and booster pump station on the North Hill site to
25 reduce environmental and health impact \$3,420,000

26 (12) Olympic View Water and Sewer District--domestic water project--
27 construct a new water filtration facility at Deer Creek for compliance
28 with filtration and disinfection standards \$919,345

29 (13) City of Renton--domestic water project--construction of corrosion
30 control treatment facilities to treat water from wells WW 1, 2, 3, 8,
31 and 9 and Springbrook Springs \$932,600

32 (14) City of Seattle--bridge project--bridge columns and substructure
33 of the South Spokane Street Viaduct will be strengthened by adding
34 seismic jacketing to all existing columns, in addition to increasing
35 the size of the viaduct's bridge girder seats \$456,885

36 (15) Southwest Suburban Sewer District--sanitary sewer project--replace
37 and rehabilitate approximately eighteen thousand lineal feet of
38 existing sanitary sewer lines, associated manholes, and side sewer
39 connections in the Salmon Creek Drainage Basin \$2,100,000

| | | |
|----|---|--------------|
| 1 | (16) City of Spokane--bridge project--remove and replace two bridges in | |
| 2 | downtown Spokane including new water and sewer mains and a | |
| 3 | pedestrian/bicycle pathway | \$4,000,000 |
| 4 | (17) City of Spokane--domestic water project--replaces eighty-five- | |
| 5 | year-old water transmission and ductile mains, including valves and | |
| 6 | casing under a rail line, also pavement removal, restoration, and | |
| 7 | traffic control measures | \$4,428,000 |
| 8 | (18) City of University Place--road project--construct six-foot | |
| 9 | sidewalks, including handicap accessible curbs and gutters, and bicycle | |
| 10 | lanes on both sides of Grandview Drive. Also construct enclosed storm | |
| 11 | drainage system | \$1,882,000 |
| 12 | (19) Val Vue Sewer District--sanitary sewer project--rehabilitation of | |
| 13 | approximately two thousand four hundred sixty-five lineal feet of | |
| 14 | failing sewer mains in the Rainier Vista area | \$175,000 |
| 15 | Section 2 total | \$27,760,187 |
| 16 | Total of sections 1 and 2 | \$59,619,143 |

17 **Sec. 3. RCW 43.155.060 and 1988 c 93 s 2 are each amended to read*
18 *as follows:*

19 *In order to aid the financing of public works projects, the board*
20 *may:*

21 *(1) Make low-interest or interest-free loans to local governments*
22 *from the public works assistance account or other funds and accounts*
23 *for the purpose of assisting local governments in financing public*
24 *works projects. The board may require such terms and conditions and*
25 *may charge such rates of interest on its loans as it deems necessary or*
26 *convenient to carry out the purposes of this chapter. Money received*
27 *from local governments in repayment of loans made under this section*
28 *shall be paid into the public works assistance account for uses*
29 *consistent with this chapter.*

30 *(2) Pledge money in the public works assistance account, or money*
31 *to be received by the public works assistance account, to the repayment*
32 *of all or a portion of the principal of or interest on obligations*
33 *issued by local governments to finance public works projects. The*
34 *board shall not pledge any amount greater than the sum of money in the*
35 *public works assistance account plus money to be received from the*
36 *payment of the debt service on loans made from that account, nor shall*

1 the board pledge the faith and credit or the taxing power of the state
2 or any agency or subdivision thereof to the repayment of obligations
3 issued by any local government.

4 (3) Create such subaccounts in the public works assistance account
5 as the board deems necessary to carry out the purposes of this chapter.

6 (4) Provide a method for the allocation of loans and financing
7 guarantees and the provision of technical assistance under this
8 chapter.

9 The board shall ensure that at the beginning of each fiscal quarter
10 there is a sufficient cash balance in the public works assistance
11 account to cover the disbursements anticipated during the quarter.

12 All local public works projects aided in whole or in part under the
13 provisions of this chapter shall be put out for competitive bids,
14 except for emergency public works under RCW 43.155.065 for which the
15 recipient jurisdiction shall comply with this requirement to the extent
16 feasible and practicable. The competitive bids called for shall be
17 administered in the same manner as all other public works projects put
18 out for competitive bidding by the local governmental entity aided
19 under this chapter.

20 *Sec. 3 was vetoed. See message at end of chapter.

21 NEW SECTION. **Sec. 4.** This act is necessary for the immediate
22 preservation of the public peace, health, or safety, or support of the
23 state government and its existing public institutions, and takes effect
24 immediately.

Passed the House April 19, 1997.

Passed the Senate April 7, 1997.

Approved by the Governor May 9, 1997, with the exception of certain
items that were vetoed.

Filed in Office of Secretary of State May 9, 1997.

1 Note: Governor's explanation of partial veto is as follows:

2 "I am returning herewith, without my approval as to section 3,
3 House Bill No. 1019 entitled:

4 "AN ACT Relating to appropriations for projects recommended by the
5 public works board;"

6 House Bill No. 1019 provides a list of 34 public works projects for
7 funding from the Public Works Assistance Account. It also provides a
8 supplemental appropriation to cover 19 of the projects, listed in
9 section 2 of the bill.

10 Section 3 of the bill would require the Public Works Board to
11 ensure that at the beginning of each fiscal quarter there is a

1 sufficient cash balance in the public works assistance account to cover
2 the disbursements anticipated during the quarter. I completely agree
3 with the need to maintain sufficient cash reserves. However, the
4 language in the bill would require maintenance of approximately
5 \$35,000,000 in reserves. I believe that amount is far too large. In
6 my proposed capital budget, I recommended a reserve of \$15,000,000.
7 The \$20,000,000 difference can be used to complete projects that are
8 badly needed now.

9 For these reasons, I have vetoed section 3 of House Bill No. 1019.

10 With the exception of section 3, I am approving House Bill No.
11 1019."
