16 person's taxable amount during the same calendar year.

17 (2) The credit is equal to the greater of the amount of qualified  
18 research and development expenditures of a person or eighty percent of

30 and development.

31 (4) The credit, including any credit assigned to a person under  
32 subsection (3) of this section, shall be taken against taxes due for  
33 the same calendar year in which the qualified research and development  
34 expenditures are incurred. The credit, including any credit assigned  
35 to a person under subsection (3) of this section, for each calendar  
36 year shall not exceed the lesser of two million dollars or the amount  
37 of tax otherwise due under this chapter for the calendar year.

1 (5) Any person taking the credit, including any credit assigned to  
2 a person under subsection (3) of this section, whose research and  
3 development spending during the calendar year in which the credit is

5 during the same calendar year shall be liable for payment of the  
6 additional taxes represented by the amount of credit taken together  
7 with interest, but not penalties. Interest shall be due at the rate  
8 provided for delinquent excise taxes retroactively to the date the  
9 credit was taken until the taxes are paid. Any credit assigned to a  
10 person under subsection (3) of this section that is disallowed as a

22 (7) A person claiming the credit shall agree to supply the  
23 department with information necessary to measure the results of the tax  
24 credit program for qualified research and development expenditures.

25 (8) The department shall use the information required under  
26 subsection (7) of this section to perform three assessments on the tax  
27 credit program authorized under this section. The assessments will  
28 take place in 1997, 2000, and 2003. The department shall prepare  
29 reports on each assessment and deliver their reports by September 1,  
30 1997, September 1, 2000, and September 1, 2003. The assessments shall

4 credit provided in this section. The term does not include amounts  
5 paid to a person other than a public educational or research  
6 institution to conduct qualified research and development. Nor does  
7 the term include capital costs and overhead, such as expenses for land,  
8 structures, or depreciable property.

16 imposed in this chapter required to be reported on the person's  
17 combined excise tax returns during the year in which the credit is  
18 claimed, less any taxable amount for which a credit is allowed under  
19 RCW 82.04.440.

20 (10) This section shall expire December 31, 2004.
