5 On page 3, after line 6 of the amendment, insert the following:

6 "(6) A rural public utility district may not provide
7 telecommunications facilities or services if comparable
8 telecommunications facilities exist to serve the same customers."

9 Renumber the remaining subsection consecutively and correct any
10 internal references accordingly.

11 On page 5, line 31 of the amendment, after "services" insert "or
12 varies substantially from the accounting or actual charge for similar
13 service to the port operations portion of the rural port district"

14 On page 6, after line 6 of the amendment, insert the following:

15 "(6) A rural port district may not provide telecommunications
16 facilities or services if comparable telecommunications facilities
17 exist to serve the same customers."

18 Renumber the remaining subsection consecutively and correct any
19 internal references accordingly.

EFFECT: Requires the public utility districts and the rural port districts to not charge substantially more than for similar electric service. A restriction is added to prohibit public utility districts and rural port districts from providing wholesale telecommunications services if a wholesale telecommunications service provider exists.
