
ENGROSSED SUBSTITUTE SENATE BILL 5508

State of Washington

56th Legislature

1999 Regular Session

By Senate Committee on Natural Resources, Parks & Recreation
(originally sponsored by Senators Spanel, Oke, Snyder, Jacobsen, Rossi
and Rasmussen)

Read first time 02/18/1999.

1 AN ACT Relating to catch record card requirements for recreational
2 crab fishers; adding a new section to chapter 77.32 RCW; and creating
3 a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that the department of
6 fish and wildlife manages the recreational crab fishery through an
7 imprecise system of catch estimation. Increased harvest data accuracy
8 is needed for the recreational crab fishery and this goal can be
9 accomplished through the establishment of a crab catch record card
10 system.

11 The department shall utilize data from the crab catch record cards
12 in preparing catch reports and in catch-sharing negotiations.

13 NEW SECTION. **Sec. 2.** A new section is added to chapter 77.32 RCW
14 to read as follows:

15 In addition to a combination fishing license, saltwater fishing
16 license, temporary fishing license, personal use shellfish and seaweed
17 license, or a family fishing weekend license, a crab catch record card
18 is required to fish for and harvest Dungeness crabs (*Cancer magister*)

1 in the recreational fishery. The crab catch record card shall be
2 administered under the rules of the commission.
