5 28B.15.110.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** It is the intent of the legislature to
8 establish a permanent tuition policy for the state's public higher
9 education system. This policy should maintain affordable tuition
10 levels and predictable tuition rates so students and their families can
11 plan and pay for access to public higher education. This policy should
12 also extend limited tuition setting authority to institutions of higher
13 education and the state board for community and technical colleges so
14 they can price their services to increase productivity and market
15 responsiveness. The legislature further intends that tuition revenue
16 be used by each entity to support the state goal of improving student
17 access to quality learning opportunities.

1 **Sec. 2.** RCW 28B.15.031 and 1996 c 142 s 2 are each amended to read
2 as follows:

3 The term "operating fees" as used in this chapter shall include the
4 fees, other than building fees, charged all students registering at the
5 state's colleges and universities but shall not include fees for short
6 courses, self-supporting degree credit programs and courses, marine
7 station work, experimental station work, correspondence or extension
8 courses, and individual instruction and student deposits or rentals,
9 disciplinary and library fines, which colleges and universities shall
10 have the right to impose, laboratory, gymnasium, health, technology and
11 student activity fees, or fees, charges, rentals, and other income

13 facilities of the colleges or universities heretofore or hereafter
14 acquired, constructed or installed, including but not limited to income
15 from rooms, dormitories, dining rooms, hospitals, infirmaries, housing
16 or student activity buildings, vehicular parking facilities, land, or
17 the appurtenances thereon, or such other special fees as may be
18 established by any college or university board of trustees or regents
19 from time to time. All moneys received as operating fees at any
20 institution of higher education shall be deposited in a local account
21 containing only operating fees revenue and related interest: PROVIDED,
22 That a minimum of three and one-half percent of operating fees shall be
23 retained by the institutions(~~(, except the technical colleges,)~~) for
24 the purposes of RCW 28B.15.820. Local operating fee accounts shall not
25 be subject to appropriation by the legislature or allotment procedures
26 under chapter 43.88 RCW.

27 **Sec. 3.** RCW 28B.15.065 and 1977 ex.s. c 322 s 6 are each amended
28 to read as follows:

29 ~~It is the intent of the legislature that ((needy students not be
30 deprived of access to higher education due to increases in educational
31 costs or consequent increases in tuition and fees. It is the sense of
32 the legislature that state appropriations for student financial aid be
33 adjusted in an amount which together with funds estimated to be
34 available in the form of basic educational opportunity grants as
35 authorized under Section 411 of the federal Higher Education Act of
36 1965 as now or hereafter amended will equal twenty four percent of any
37 change in revenue estimated to occur as a result of revisions in
38 tuition and fee levels under the provisions of this 1977 amendatory~~

1 ~~act.~~) students receiving state need grants are not deprived of access
2 to higher education due to increases in tuition rates. The legislature
3 shall retain the responsibility to allocate appropriated funds to the
4 state need grant program to support changes in the overall program
5 eligibility levels and changes resulting from increased enrollments.
6 Beginning in academic year 2000, institutions of higher education must
7 dedicate a portion of net revenues received from increases in
8 undergraduate resident tuition to support state need grants to need
9 grant recipients. At a minimum, each institution of higher education
10 shall dedicate sufficient tuition revenues to need grants sufficient to
11 maintain the ratio of total state need grant awards to students at that
12 institution of higher education to total tuition charged those students
13 receiving state need grants at that institution of higher education for
14 the prior three academic years. Tuition revenues dedicated for
15 institutional support of state need grant recipients shall be retained
16 by each institution of higher education for support of students
17 enrolled at that institution of higher education. Institutional
18 contributions of tuition revenues for need grants according to chapter
