17 hire or use of a light and power business as defined in RCW 82.16.010
18 in transporting the electricity subject to tax under this subsection if
19 those amounts are subject to tax under chapter 82.16 RCW.

8 sought under this subsection.

9 (5) There shall be a credit against the tax levied in this section
10 in an amount equal to the tax paid by:

34 (2) The tax shall be imposed in an amount equal to the value of the

7 consumption of electricity generated by a person for that person's own
8 use.

9 (4) The tax levied in this section does not apply to the
