
SENATE BILL 6100

State of Washington

56th Legislature

1999 Regular Session

By Senators Eide, Swecker, Spanel and Fraser

Read first time 04/15/1999. Referred to Committee on Environmental Quality & Water Resources.

1 AN ACT Relating to improving shorelines and land uses to facilitate
2 salmon recovery; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** It is the purpose of this act to provide
5 local governments with a schedule for revising shoreline master
6 programs consistently with state guidelines in a manner that provides
7 the highest priority upon jurisdictions that are experiencing both high
8 growth and in which stocks listed or proposed for listing under the
9 federal endangered species act are located. It is also the purpose of
10 this act to provide greater guidance under shorelines, growth
11 management, and subdivision review laws in considering water supply
12 management and salmon recovery needs.
