SECOND SUBSTITUTE SENATE BILL 6199

---

State of Washington

56th Legislature

2000 Regular Session

By Senate Committee on Ways & Means (originally sponsored by Senators Wojahn, Winsley, Thibaudeau, Snyder, Goings, Kohl-Welles, Jacobsen, Fraser, Prentice, Costa, Rasmussen, Bauer, Spanel, McAuliffe, Gardner, Franklin and Kline)

Read first time 01/26/00.

1 AN ACT Relating to health care patient protection; amending RCW  
2 51.04.020, 74.09.050, and 70.47.130; adding new sections to chapter  
3 48.43 RCW; adding a new section to chapter 43.70 RCW; adding new  
4 sections to chapter 41.05 RCW; creating new sections; repealing RCW  
5 48.43.075, 48.43.095, and 48.43.105; and providing an effective date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** PATIENT RIGHTS. It is the intent of the  
8 legislature that patients covered by health plans receive quality  
9 health care designed to maintain and improve their health. The purpose  
10 of this act is to ensure that health plan patients:

11 (1) Have improved access to information regarding their health  
12 plans;

13 (2) Have sufficient and timely access to appropriate health care  
14 services, and choice among health care providers;

15 (3) Are assured that health care decisions are made by appropriate  
16 medical personnel;

17 (4) Have access to a quick and impartial process for appealing plan  
18 decisions;

1 (5) Are protected from unnecessary invasions of health care  
2 privacy; and

3 (6) Are assured that personal health care information will be used  
4 only as necessary to obtain and pay for health care or to improve the  
5 quality of care.

6 NEW SECTION. **Sec. 2.** HEALTH INFORMATION PRIVACY. (1) Each  
7 carrier that offers a health plan must develop and implement policies  
8 and procedures governing the collection, use, and disclosure of health  
9 information. These policies and procedures must include methods for  
10 enrollees to access information about themselves and to amend any  
11 information that is inaccurate, for enrollees to restrict the  
12 disclosure of sensitive information about themselves, and for enrollees  
13 to obtain information about the carrier's health information policies.  
14 In addition, these policies and procedures must include methods for  
15 carrier oversight and enforcement of information policies, for carrier  
16 storage and disposal of health information, and for carrier conformance  
17 to state and federal laws governing the collection, use, and disclosure  
18 of personally identifiable health information. Each carrier must  
19 provide a summary notice of its health information policies to  
20 enrollees, including the enrollee's right to restrict the collection,  
21 use, and disclosure of their own health information.

22 (2) Except as otherwise required by statute or rule, or a carrier's  
23 disclosure made pursuant to requirements in RCW 70.02.050 and 70.02.900  
24 for health care providers, a carrier is, and all persons acting at the  
25 direction of or on behalf of a carrier or in receipt of an enrollee's  
26 personally identifiable health information are, prohibited from  
27 collecting, using, or disclosing personally identifiable health  
28 information unless authorized in writing by the person who is the  
29 subject of the information. At a minimum, such authorization must be  
30 valid for a limited time and purpose; be specific as to purpose and  
31 types of information to be collected, used, or disclosed; and identify  
32 the persons who will be receiving the information.

33 (3) Nothing in this section shall be construed to prevent: (a) The  
34 creation, use, or release of anonymous data that has been coded or  
35 encrypted to protect the identity of the individual, and for which  
36 there is no reasonable basis to believe that the information could be  
37 used to identify an individual; or (b) the release by a carrier of  
38 personally identifiable health information for health research subject

1 to the requirements of the federal "common rule" at 21 C.F.R. Secs. 50  
2 and 56 (1968) and 45 C.F.R. Sec. 46 (1972).

3 (4) The commissioner shall adopt rules to implement this section  
4 and shall take into consideration health information privacy standards  
5 recommended by the national association of insurance commissioners and  
6 other related professional organizations.

7 (5) The commissioner shall enforce the provisions of chapter 70.02  
8 RCW as they apply to carriers.

9 NEW SECTION. **Sec. 3.** INFORMATION DISCLOSURE. (1) A carrier that  
10 offers a health plan may not offer to sell a health plan to an enrollee  
11 or to any group representative, agent, employer, or enrollee  
12 representative without first offering to provide, and providing upon  
13 request, the following information before purchase or selection:

14 (a) A listing of covered benefits, including prescription drug  
15 categories, definitions of terms such as generic versus brand name, and  
16 policies regarding coverage of drugs, such as how they become approved  
17 or taken off the formulary, and how enrollees may be involved in  
18 decisions about benefits;

19 (b) A listing of exclusions, reductions, and limitations to covered  
20 benefits, including policies and practices related to any drug  
21 formulary, and any definition of medical necessity or other coverage  
22 criteria upon which they may be based;

23 (c) A statement of the carrier's policies for protecting the  
24 confidentiality of health information;

25 (d) A statement containing the cost of premiums and enrollee point-  
26 of-service cost-sharing requirements;

27 (e) A summary explanation of the carrier's grievance process;

28 (f) A statement regarding the availability of a point-of-service  
29 option, if any, and how the option operates; and

30 (g) A convenient means of obtaining a list of participating  
31 providers, including disclosure of network arrangements that restrict  
32 access to providers within any plan network. The offer to provide the  
33 information referenced in this subsection must be clearly and  
34 prominently displayed on any information provided to any prospective  
35 enrollee or to any prospective group representative, agent, employer,  
36 or enrollee representative.

37 (2) Upon the request of any person, including a current enrollee,  
38 prospective enrollee, or the insurance commissioner, a carrier and the

1 Washington state health care authority, established by chapter 41.05  
2 RCW, in relation to the uniform medical plan must provide written  
3 information regarding any health care plan it offers, that includes the  
4 following written information:

5 (a) Any documents, instruments, or other information referred to in  
6 the enrollment agreement;

7 (b) A full description of the procedures to be followed by an  
8 enrollee for consulting a provider other than the primary care provider  
9 and whether the enrollee's primary care provider, the carrier's medical  
10 director, or another entity must authorize the referral;

11 (c) Procedures, if any, that an enrollee must first follow for  
12 obtaining prior authorization for health care services;

13 (d) A written description of any reimbursement or payment  
14 arrangements, including, but not limited to, capitation provisions,  
15 fee-for-service provisions, and health care delivery efficiency  
16 provisions, between a carrier and a provider or network;

17 (e) An annual accounting of all payments made by the carrier which  
18 have been counted against any payment limitations, visit limitations,  
19 or other overall limitations on a person's coverage under a plan;

20 (f) A copy of the carrier's grievance process for claim or service  
21 denial and for dissatisfaction with care;

22 (g) Descriptions and justifications for provider compensation  
23 programs, including any incentives or penalties that are intended to  
24 encourage providers to withhold services or minimize or avoid referrals  
25 to specialists; and

26 (h) The criteria used by the carrier to make utilization review and  
27 medical necessity determinations.

28 (3) Each carrier and the Washington state health care authority  
29 shall provide to all enrollees and prospective enrollees a list of  
30 available disclosure items.

31 (4) Nothing in this section requires a carrier or provider to  
32 divulge proprietary information to an enrollee including the specific  
33 contractual terms and conditions between a carrier and a provider.

34 (5) No carrier may advertise, market, or present any health plan to  
35 the public as a plan that covers services that help prevent illness or  
36 promote the health of enrollees unless it:

37 (a) Provides all clinical preventive health services provided by  
38 the basic health plan, authorized by chapter 70.47 RCW;

1 (b) Monitors and reports annually to enrollees on standardized  
2 measures of health care and satisfaction of all enrollees in the health  
3 plan. The state department of health shall recommend appropriate  
4 standardized measures for this purpose, after consideration of national  
5 standardized measurement systems adopted by national managed care  
6 accreditation organizations and state agencies that purchase managed  
7 health care services;

8 (c) Demonstrates a partnership with the state department of health  
9 or a local health jurisdiction, by means of a letter from the secretary  
10 of the state department of health or the local health jurisdiction  
11 verifying the plan's current active participation in community-wide  
12 efforts to maintain and improve the health status of its enrollees  
13 through activities such as public health educational programs; and

14 (d) Makes available upon request to enrollees its integrated plan  
15 to identify and manage the most prevalent diseases within its enrolled  
16 population, including cancer, heart disease, and stroke.

17 (6) No carrier may preclude or discourage its providers from  
18 informing an enrollee of the care he or she requires, including various  
19 treatment options, and whether in the providers' view such care is  
20 consistent with the plan's health coverage criteria, or otherwise  
21 covered by the enrollee's service agreement with the carrier. No  
22 carrier may prohibit, discourage, or penalize a provider otherwise  
23 practicing in compliance with the law from advocating on behalf of an  
24 enrollee with a carrier. Nothing in this section shall be construed to  
25 authorize a provider to bind a carrier to pay for any service.

26 (7) No carrier may preclude or discourage enrollees or those paying  
27 for their coverage from discussing the comparative merits of different  
28 carriers with their providers. This prohibition specifically includes  
29 prohibiting or limiting providers participating in those discussions  
30 even if critical of a carrier.

31 NEW SECTION. **Sec. 4.** ACCESS TO APPROPRIATE HEALTH SERVICES. (1)  
32 Each enrollee in a health plan must have adequate choice among  
33 qualified health care providers.

34 (2) Each carrier must allow an enrollee to choose a primary care  
35 provider who is accepting new enrollees from a list of participating  
36 providers.

37 (3) Each carrier must have a process whereby an enrollee whose  
38 medical condition so warrants is authorized to use a medical specialist

1 as a primary care provider, or to receive a standing referral to a  
2 specialist for an extended period of time. This may include enrollees  
3 suffering from chronic diseases and those with other special needs.

4 (4) Each carrier must provide for appropriate and timely referral  
5 of enrollees to a choice of specialists within the plan if specialty  
6 care is warranted. If the type of medical specialist needed for a  
7 specific condition is not represented on the specialty panel, enrollees  
8 must have access to nonparticipating specialty health care providers.

9 (5) Each carrier must provide, upon the request of an enrollee,  
10 access by the enrollee to a second opinion regarding any medical  
11 diagnosis or treatment plan from a qualified provider of the enrollee's  
12 choice. However, the carrier's payment to a nonparticipating provider  
13 offering the second opinion may be limited to the amount that the  
14 carrier would pay a participating provider for a second opinion. The  
15 consumer is responsible for payment of any charges in excess of the  
16 amount paid to the nonparticipating provider by the carrier.

17 (6) Each carrier must, at the carrier's expense, allow enrollees to  
18 continue receiving services from a primary care provider whose contract  
19 with the plan or whose contract with a subcontractor is being  
20 terminated by the plan or subcontractor without cause under the terms  
21 of that contract for no longer than sixty days following notice of  
22 termination to the enrollees or, in group coverage arrangements  
23 involving periods of open enrollment, only until the end of the next  
24 open enrollment period. The provider's relationship with the carrier  
25 or subcontractor must be continued on the same terms and conditions as  
26 those of the contract the plan or subcontractor is terminating, except  
27 for any provision requiring that the carrier assign new enrollees to  
28 the terminated provider.

29 (7) Each carrier must communicate enrollee information required in  
30 this chapter by means that ensure that a substantial portion of the  
31 enrollee population can make use of this information.

32 (8) Every carrier shall meet the standards set forth in this  
33 section and any rules adopted by the commissioner to implement this  
34 section. For the purposes of this section, the commissioner shall  
35 consider relevant standards adopted by national managed care  
36 accreditation organizations and state agencies that purchase managed  
37 health care services.

1        NEW SECTION.    **Sec. 5.**    HEALTH CARE DECISIONS.    (1) Carriers that  
2 offer a health plan shall maintain a documented utilization review  
3 program description and written utilization review criteria based on  
4 reasonable medical evidence.    The program must include a method for  
5 reviewing and updating criteria.    Carriers shall make clinical  
6 protocols, medical management standards, and other review criteria  
7 available upon request to participating providers.

8        (2) The commissioner shall adopt, in rule, standards for this  
9 section after reviewing relevant standards adopted by national managed  
10 care accreditation organizations and the state agencies that purchase  
11 managed health care services.

12        NEW SECTION.    **Sec. 6.**    RETROSPECTIVE DENIAL OF SERVICES.    (1) A  
13 health carrier that offers a health plan shall not retrospectively deny  
14 coverage for emergency and nonemergency care that had prior  
15 authorization under the plan's written policies.

16        (2) The commissioner shall adopt, in rule, standards for this  
17 section after reviewing relevant standards adopted by national managed  
18 care accreditation organizations and the state agencies that purchase  
19 managed health care services.

20        NEW SECTION.    **Sec. 7.**    GRIEVANCE PROCESS.    (1) Each carrier that  
21 offers a health plan must have a fully operational, comprehensive  
22 grievance process that complies with the requirements of this section  
23 and any rules adopted by the commissioner to implement this section.  
24 For the purposes of this section, the commissioner shall consider  
25 grievance process standards adopted by national managed care  
26 accreditation organizations and state agencies that purchase managed  
27 health care services.

28        (2) Each carrier must provide written notice to an enrollee and the  
29 enrollee's provider of its decision to modify, discontinue, or deny a  
30 health service for the enrollee.

31        (3) Each carrier must process as a grievance:

32        (a) An enrollee's complaint about the quality or availability of a  
33 health service;

34        (b) An enrollee's complaint about an issue other than the quality  
35 or availability of a health service that the carrier has not resolved  
36 within response timelines established by the commissioner in rules; and

1 (c) An enrollee's request that the carrier reconsider: (i) Its  
2 decision to modify, discontinue, or deny a health service, or (ii) its  
3 initial resolution of a complaint or grievance made by an enrollee.

4 (4) To process a grievance, each carrier must:

5 (a) Provide written notice to the enrollee when the grievance is  
6 received;

7 (b) Assist the enrollee with the grievance process;

8 (c) Expedite a grievance if the enrollee's provider or the  
9 carrier's medical director determines, or if other evidence indicates  
10 that following the grievance process response timelines could seriously  
11 jeopardize the enrollee's health or ability to regain maximum function;

12 (d) Cooperate with a representative chosen by the enrollee;

13 (e) Consider information submitted by the enrollee;

14 (f) Investigate and resolve the grievance; and

15 (g) Provide written notice of its resolution of the grievance to  
16 the enrollee and, with the permission of the enrollee, to the  
17 enrollee's providers.

18 (5) Written notice required by subsections (2) and (4) of this  
19 section must explain:

20 (a) The carrier's decision and the supporting coverage or clinical  
21 reasons, including any alternative health service that may be  
22 appropriate; and

23 (b) The carrier's grievance process, including information, as  
24 appropriate, about how to exercise enrollee's rights to obtain a second  
25 opinion, how to continue receiving services as provided in this  
26 section, and how to discuss a grievance resolution with an impartial  
27 carrier representative authorized to review and modify the grievance  
28 resolution.

29 (6) When an enrollee requests that the carrier reconsider its  
30 decision to modify or discontinue a health service that an enrollee is  
31 receiving through the plan, the carrier must continue to provide that  
32 health service until the grievance is resolved. If the resolution  
33 affirms the carrier's decision, the enrollee may be responsible for the  
34 cost of this continued health service.

35 (7) Each carrier must provide a clear explanation of the grievance  
36 process upon request, upon enrollment to new enrollees, and annually to  
37 enrollees and subcontractors.

38 (8) Each carrier must: Track each grievance until final  
39 resolution; maintain, and make accessible to the commissioner for a

1 period of three years, a log of all grievances; and identify and  
2 evaluate trends in grievances.

3 NEW SECTION. **Sec. 8.** INDEPENDENT REVIEW OF HEALTH CARE DISPUTES.

4 (1) There is a need for a process for the fair consideration of  
5 enrollee complaints relating to decisions by carriers that offer a  
6 health plan to modify, discontinue, or deny coverage of or payment for  
7 health care. The commissioner shall adopt rules that:

8 (a) Permit an enrollee to seek review of a carrier's decision to  
9 modify, discontinue, or deny a health service by an independent review  
10 organization, after the carrier has completed its grievance procedures  
11 and its decision is unfavorable to the enrollee, or the carrier has  
12 exceeded the timelines for grievances established by the commissioner,  
13 without good cause and without reaching a decision;

14 (b) Establish and use a rotational registry system for the  
15 assignment of a certified independent review organization to each  
16 appeal;

17 (c) Require carriers to provide to the appropriate independent  
18 review organization not later than the third business day after the  
19 date the carrier receives a request for review a copy of:

20 (i) Any medical records of the enrollee that are relevant to the  
21 review;

22 (ii) Any documents used by the plan in making the determination to  
23 be reviewed by the organization;

24 (iii) Any documentation and written information submitted to the  
25 carrier in support of the appeal; and

26 (iv) A list of each physician or health care provider who has  
27 provided care to the enrollee and who may have medical records relevant  
28 to the appeal;

29 (d) Authorize reviewers to make determinations regarding the  
30 medical necessity or appropriateness of, or the application of health  
31 plan coverage provisions to, health care services for an enrollee.  
32 Independent review is not intended to override health plan contract  
33 provisions that clearly exclude coverage of particular types of medical  
34 services or procedures, or treatment of particular health conditions.  
35 In reviewing disputes related to coverage, reviewers should consider  
36 any and all contract provisions related to the health service that is  
37 the subject of the dispute. The medical reviewers' determinations must

1 be based upon their expert medical judgment, after consideration of  
2 relevant medical, scientific, and cost-effectiveness evidence; and

3 (e) Require carriers to comply with the independent review  
4 organization's determination, and to pay for the independent review.

5 (2) Health information or other confidential or proprietary  
6 information in the custody of a carrier may be provided to an  
7 independent review organization, subject to rules adopted by the  
8 commissioner.

9 NEW SECTION. **Sec. 9.** A new section is added to chapter 43.70 RCW  
10 to read as follows:

11 INDEPENDENT REVIEW ORGANIZATIONS. (1) The department of health  
12 shall:

13 (a) Adopt rules providing a procedure for contracting with one or  
14 more organizations to perform independent review of health care  
15 disputes described in section 8 of this act. The organization shall:

16 (i) Assign expert reviewers who are licensed physicians or other  
17 licensed health care providers with substantial current clinical  
18 experience dealing with the same health condition under review;

19 (ii) Be advised by a consumer advisory board that is broadly  
20 representative of the patient population whose claims are to be  
21 reviewed; and

22 (iii) Meet other reasonable requirements of the department directly  
23 related to the functions the organization is to perform under section  
24 8 of this act;

25 (b) Designate every two years one or more organizations selected in  
26 accordance with this subsection to perform the functions listed in  
27 section 8 of this act; and

28 (c) Ensure that the organization is free from interference by state  
29 government in its functioning except to ensure that it complies with  
30 the contract it has with the department and this act.

31 (2) The rules adopted under subsection (1)(a) of this section must  
32 ensure:

33 (a) The confidentiality of medical records transmitted to an  
34 independent review organization for use in independent reviews;

35 (b) The qualifications and independence of each health care  
36 provider or physician making review determinations for an independent  
37 review organization. Any health care provider or physician making a  
38 review determination in a specific review must be free of any actual or

1 potential conflict of interest or bias with respect to the carrier  
2 whose decision is being reviewed, any health care provider or facility  
3 who has made a treatment recommendation or determination prior to the  
4 appeal being initiated by the consumer, or the consumer;

5 (c) The fairness of the procedures used by an independent review  
6 organization in making the determinations; and

7 (d) Timely notice to enrollees of the results of the independent  
8 review, including the clinical basis for the determination.

9 (3) The rules adopted under subsection (1)(a) of this section must  
10 require that each independent review organization make its  
11 determination:

12 (a) Not later than the earlier of:

13 (i) The fifteenth day after the date the independent review  
14 organization receives the information necessary to make the  
15 determination; or

16 (ii) The twentieth day after the date the independent review  
17 organization receives the request that the determination be made; and

18 (b) In cases of a condition that could seriously jeopardize the  
19 enrollee's health or ability to regain maximum function, not later than  
20 the earlier of:

21 (i) Seventy-two hours after the date the independent review  
22 organization receives the information necessary to make the  
23 determination; or

24 (ii) The eighth day after the date the independent review  
25 organization receives the request that the determination be made.

26 (4) The rules adopted under subsection (1)(a) of this section must  
27 require that the independent review organization proceed to a final  
28 determination once a request for determination has been made, unless  
29 requested otherwise by both the carrier and the enrollee, or the  
30 enrollee's representative.

31 (5) To be certified as an independent review organization under  
32 this chapter, an organization must submit to the department an  
33 application in the form required by the department. The application  
34 must include:

35 (a) For an applicant that is publicly held, the name of each  
36 stockholder or owner of more than five percent of any stock or options;

37 (b) The name of any holder of bonds or notes of the applicant that  
38 exceed one hundred thousand dollars;

1 (c) The name and type of business of each corporation or other  
2 organization that the applicant controls or is affiliated with and the  
3 nature and extent of the affiliation or control;

4 (d) The name and a biographical sketch of each director, officer,  
5 and executive of the applicant and any entity listed under (c) of this  
6 subsection and a description of any relationship the named individual  
7 has with:

8 (i) A carrier;

9 (ii) A utilization review agent;

10 (iii) A nonprofit health corporation;

11 (iv) A health care provider; or

12 (v) A group representing any of the entities described by (d)(i)  
13 through (iv) of this subsection;

14 (e) The percentage of the applicant's revenues that are anticipated  
15 to be derived from reviews conducted under section 8 of this act;

16 (f) A description of the areas of expertise of the health care  
17 professionals making review determinations for the applicant; and

18 (g) The procedures to be used by the independent review  
19 organization in making review determinations regarding reviews  
20 conducted under section 8 of this act.

21 (6) The independent review organization shall annually submit the  
22 information required by subsection (5) of this section. If at any time  
23 there is a material change in the information included in the  
24 application under subsection (5) of this section, the independent  
25 review organization shall submit updated information to the department.

26 (7) An independent review organization may not be a subsidiary of,  
27 or in any way owned or controlled by, a carrier or a trade or  
28 professional association of carriers.

29 (8) An independent review organization, and individuals acting on  
30 its behalf, are immune from suit in a civil action when performing  
31 functions under this act. However, this immunity does not apply to an  
32 act or omission made in bad faith or that involves gross negligence.

33 (9) In adopting rules for this section, the department shall take  
34 into consideration standards adopted by national managed care  
35 accreditation organizations and state agencies that purchase managed  
36 health care services.

37 NEW SECTION. **Sec. 10.** CARRIER MEDICAL DIRECTOR. Any carrier  
38 that offers a health plan and any self-insured health plan subject to

1 the jurisdiction of Washington state shall designate a medical director  
2 who is licensed under chapter 18.57 or 18.71 RCW. However, a  
3 naturopathic or complementary alternative medical plan may have a  
4 medical director licensed under chapter 18.36A RCW.

5 **Sec. 11.** RCW 51.04.020 and 1994 c 164 s 24 are each amended to  
6 read as follows:

7 The director shall:

8 (1) Establish and adopt rules governing the administration of this  
9 title;

10 (2) Ascertain and establish the amounts to be paid into and out of  
11 the accident fund;

12 (3) Regulate the proof of accident and extent thereof, the proof of  
13 death and the proof of relationship and the extent of dependency;

14 (4) Supervise the medical, surgical, and hospital treatment to the  
15 intent that it may be in all cases efficient and up to the recognized  
16 standard of modern surgery;

17 (5) Issue proper receipts for moneys received and certificates for  
18 benefits accrued or accruing;

19 (6) Investigate the cause of all serious injuries and report to the  
20 governor from time to time any violations or laxity in performance of  
21 protective statutes or regulations coming under the observation of the  
22 department;

23 (7) Compile statistics which will afford reliable information upon  
24 which to base operations of all divisions under the department;

25 (8) Make an annual report to the governor of the workings of the  
26 department;

27 (9) Be empowered to enter into agreements with the appropriate  
28 agencies of other states relating to conflicts of jurisdiction where  
29 the contract of employment is in one state and injuries are received in  
30 the other state, and insofar as permitted by the Constitution and laws  
31 of the United States, to enter into similar agreements with the  
32 provinces of Canada; and

33 (10) Designate a medical director who is licensed under chapter  
34 18.57 or 18.71 RCW.

35 **Sec. 12.** RCW 74.09.050 and 1979 c 141 s 335 are each amended to  
36 read as follows:

1           The secretary shall appoint such professional personnel and other  
2 assistants and employees, including professional medical screeners, as  
3 may be reasonably necessary to carry out the provisions of this  
4 chapter. The medical screeners shall be supervised by one or more  
5 physicians who shall be appointed by the secretary or his or her  
6 designee. The secretary shall appoint a medical director who is  
7 licensed under chapter 18.57 or 18.71 RCW.

8           NEW SECTION. Sec. 13. A new section is added to chapter 41.05 RCW  
9 to read as follows:

10           HEALTH CARE AUTHORITY MEDICAL DIRECTOR. The administrator shall  
11 designate a medical director who is licensed under chapter 18.57 or  
12 18.71 RCW.

13           NEW SECTION. Sec. 14. CARRIER LIABILITY. (1) The definitions in  
14 this subsection apply throughout this section unless the context  
15 clearly requires otherwise.

16           (a) "Enrollee" means an individual covered by a health plan,  
17 including dependents.

18           (b) "Health care provider" means the same as defined in RCW  
19 48.43.005.

20           (c) "Health carrier" means the same as defined in RCW 48.43.005.

21           (d) "Health plan" means the same as defined in RCW 48.43.005,  
22 except that it includes a policy, contract, or agreement offered by any  
23 person, not just a health carrier.

24           (2)(a) A health carrier shall adhere to the accepted standard of  
25 care for health care providers under chapter 7.70 RCW when arranging  
26 for the provision of medically necessary health care services to its  
27 enrollees. A health carrier shall be liable for any and all harm  
28 proximately caused by its failure to follow that standard of care when  
29 the failure resulted in the denial, delay, or modification of the  
30 health care service recommended for, or furnished to, an enrollee.

31           (b) A health carrier is also liable for damages for harm to an  
32 enrollee proximately caused by health care treatment decisions made by  
33 its:

34           (i) Employees;

35           (ii) Independent contractors;

36           (iii) Agents; or

1 (iv) Ostensible agents who are acting on its behalf and over whom  
2 it has the right to exercise influence or control or has actually  
3 exercised influence or control that result from a failure to follow the  
4 accepted standard of care. For purposes of this section, health care  
5 providers and facilities who are included in and subject to chapter  
6 7.70 RCW, and groups of health care providers formed primarily for the  
7 purpose of providing or arranging for health care services to  
8 individuals shall not be considered independent contractors, agents, or  
9 ostensible agents.

10 (3) It is a defense to any action asserted under this section  
11 against a health carrier that:

12 (a) The health care service in question is not a benefit provided  
13 under the plan;

14 (b) Neither the health carrier, nor any employee, independent  
15 contractor, agent, ostensible agent, or representative for whose  
16 conduct the health carrier is liable under subsection (2)(b) of this  
17 section, controlled, influenced, or participated in the health care  
18 decision; or

19 (c) The health carrier did not deny or delay payment for treatment  
20 prescribed or recommended by a health care provider for the enrollee.

21 (4) This section does not create any liability on the part of an  
22 employer, an employer group purchasing organization that purchases  
23 coverage or assumes risk on behalf of its employers, or a governmental  
24 agency that purchases coverage on behalf of individuals and families.  
25 The governmental entity established to offer and provide health  
26 insurance to public employees and their covered dependents under RCW  
27 41.05.140 is subject to liability under this section.

28 (5) Nothing in any law of this state prohibiting a health carrier  
29 from practicing medicine or being licensed to practice medicine may be  
30 asserted as a defense by the health carrier in an action brought  
31 against it under this section.

32 (6)(a) An enrollee or an enrollee's representative may not maintain  
33 a cause of action under this section against a health carrier unless:

34 (i) The affected enrollee or the enrollee's representative has sought  
35 independent review of the health care treatment decision under section  
36 8 of this act; (ii) the independent review organization has overturned  
37 the carrier's decision to modify, discontinue, or deny a health  
38 service; and (iii) the carrier's decision to modify, discontinue, or  
39 deny a health service caused substantial harm to the enrollee. As used

1 in this subsection, "substantial harm" means loss of life, loss or  
2 significant impairment of limb or bodily function, significant  
3 disfigurement, severe or chronic pain or disease, or substantial mental  
4 impairment that results in the inability of the enrollee to meet his or  
5 her basic needs.

6 (b) This subsection (6) does not prohibit an enrollee from pursuing  
7 other appropriate remedies, including injunctive relief, a declaratory  
8 judgment, or other relief available under law, if its requirements  
9 place the enrollee's health in serious jeopardy.

10 (7) In an action against a health carrier, a finding that a health  
11 care provider is an employee, independent contractor, agent, or  
12 ostensible agent of such a health carrier shall not be based solely on  
13 proof that the person's name appears in a listing of approved  
14 physicians or health care providers made available to enrollees under  
15 a health plan.

16 (8) Any action under this section shall be commenced within three  
17 years of the completion of the independent review process under section  
18 8 of this act.

19 (9) This section does not apply to workers' compensation insurance  
20 under Title 51 RCW.

21 NEW SECTION. **Sec. 15.** DELEGATION OF DUTIES. Each carrier is  
22 accountable for and must oversee any activities required by this act  
23 that it delegates to any subcontractor or independent contractor. No  
24 contract with a subcontractor or independent contractor executed by the  
25 health carrier may relieve the health carrier of its obligations to any  
26 enrollee for the provision of health care services or of its  
27 responsibility for compliance with statutes or rules.

28 NEW SECTION. **Sec. 16.** APPLICATION. This act applies to: Health  
29 plans offered, renewed, or issued by a carrier; medical assistance  
30 provided under RCW 74.09.522; the basic health plan offered under  
31 chapter 70.47 RCW; and public employee health benefits provided under  
32 chapter 41.05 RCW.

33 NEW SECTION. **Sec. 17.** A new section is added to chapter 41.05 RCW  
34 to read as follows:

35 Each health plan that provides medical insurance offered to public  
36 employees and their covered dependents under this chapter, including

1 plans created by insuring entities, plans not subject to the provisions  
2 of Title 48 RCW, and plans created under RCW 41.05.140, are subject to  
3 the provisions of sections 1 through 8, 14, and 15 of this act.

4 **Sec. 18.** RCW 70.47.130 and 1997 c 337 s 8 are each amended to read  
5 as follows:

6 (1) The activities and operations of the Washington basic health  
7 plan under this chapter, including those of managed health care systems  
8 to the extent of their participation in the plan, are exempt from the  
9 provisions and requirements of Title 48 RCW except:

10 (a) Benefits as provided in RCW 70.47.070;

11 (b) Managed health care systems are subject to the provisions of  
12 sections 1 through 8, 14, and 15 of this act;

13 (c) Persons appointed or authorized to solicit applications for  
14 enrollment in the basic health plan, including employees of the health  
15 care authority, must comply with chapter 48.17 RCW. For purposes of  
16 this subsection (1)((~~b~~)) (c), "solicit" does not include distributing  
17 information and applications for the basic health plan and responding  
18 to questions; and

19 ((~~e~~)) (d) Amounts paid to a managed health care system by the  
20 basic health plan for participating in the basic health plan and  
21 providing health care services for nonsubsidized enrollees in the basic  
22 health plan must comply with RCW 48.14.0201.

23 (2) The purpose of the 1994 amendatory language to this section in  
24 chapter 309, Laws of 1994 is to clarify the intent of the legislature  
25 that premiums paid on behalf of nonsubsidized enrollees in the basic  
26 health plan are subject to the premium and prepayment tax. The  
27 legislature does not consider this clarifying language to either raise  
28 existing taxes nor to impose a tax that did not exist previously.

29 NEW SECTION. **Sec. 19.** This act may be known and cited as the  
30 health care patient bill of rights.

31 NEW SECTION. **Sec. 20.** Captions used in this act are not any part  
32 of the law.

33 NEW SECTION. **Sec. 21.** Sections 1 through 8, 10, 14, and 15 of  
34 this act are each added to chapter 48.43 RCW.

1        NEW SECTION.    **Sec. 22.**    To the extent permitted by law, if any  
2 provision of this act conflicts with state or federal law, such  
3 provision must be construed in a manner most favorable to the enrollee.

4        NEW SECTION.    **Sec. 23.**    If any provision of this act or its  
5 application to any person or circumstance is held invalid, the  
6 remainder of the act or the application of the provision to other  
7 persons or circumstances is not affected.

8        NEW SECTION.    **Sec. 24.**    EFFECTIVE DATE.    (1) Except as provided in  
9 subsection (2) of this section, this act applies to contracts renewing  
10 after June 30, 2001.

11        (2) Sections 10 through 13 of this act take effect January 1, 2001.

12        NEW SECTION.    **Sec. 25.**    The following acts or parts of acts are  
13 each repealed:

14        (1) RCW 48.43.075 (Informing patients about their care--Health  
15 carriers may not preclude or discourage) and 1996 c 312 s 2;

16        (2) RCW 48.43.095 (Information provided to an enrollee or a  
17 prospective enrollee) and 1996 c 312 s 4; and

18        (3) RCW 48.43.105 (Preparation of documents that compare health  
19 carriers--Immunity--Due diligence) and 1996 c 312 s 5.

--- END ---
