SENATE BILL 6316

---

State of Washington

56th Legislature

2000 Regular Session

By Senators Rasmussen, Morton and Swecker

Read first time 01/13/2000. Referred to Committee on Agriculture & Rural Economic Development.

1 AN ACT Relating to dairy nutrient management program funding; and  
2 creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1) In consultation with the state  
5 conservation commission and local conservation districts, the office of  
6 financial management shall develop recommendations to provide adequate  
7 funding for the dairy nutrient management program established pursuant  
8 to chapter 90.64 RCW. The recommendations shall include an  
9 identification of need, if any, for additional funding for each of the  
10 following purposes: (a) To perform functions required by conservation  
11 districts and the state conservation commission; (b) to provide  
12 technical assistance for development of plans; and (c) for cost-share  
13 moneys for implementation of the plans based on fifty percent of the  
14 eligible costs to be derived from public sources. The recommendations  
15 shall be for the amount of funding required each fiscal year for these  
16 purposes assuming that the deadlines established in chapter 262, Laws  
17 of 1998 will be met. If a lower level of funding is recommended, then  
18 the recommendation for additional funding shall be accompanied by a

1 recommendation that the deadlines established in RCW 90.64.030(9) be  
2 extended to a specified date.

3 (2) The office of financial management shall submit its written  
4 recommendations to the co-chief clerks of the house of representatives  
5 and the secretary of the senate before December 20, 2000.
