7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 **Sec. 1.** RCW 13.34.803 and 1998 c 314 s 40 are each amended to read
9 as follows:

10 (1) The departments of health and social and health services shall
11 develop a comprehensive plan for providing services to mothers who (a)
12 have delivered a drug or alcohol exposed or affected infant, and (b)
13 meet the definition of at-risk eligible persons in RCW 74.09.790 and
14 who have a child up to three years of age. The services to be provided
15 by the plan will include those defined in RCW 74.09.790. The plan
16 shall provide for the coordination of services through community-based
17 programs and among: (i) The departments; (ii) the departments'
18 divisions; and (iii) other state agencies. The plan shall include
19 recommendations to the legislature for implementing the plan and any

1 alternative methods for addressing the needs of these mothers and their
2 children.

3 (2) In developing the plan, the department of health shall
4 inventory the community-based programs that may be accessed to provide
5 services to these mothers and their children; evaluate implementing
6 services for these mothers through extension of the maternity care
7 access system; and evaluate the fiscal impact of the plan. In
8 performing the fiscal evaluation, the department shall calculate
9 potential long-term cost savings to the state resulting from reduced
10 use of the medical, juvenile justice, public assistance, and dependency
11 systems by children and mothers receiving services under the plan.

12 ~~((3) The department shall submit a report describing the plan to
13 the appropriate committees of the house of representatives and senate
14 by November 1, 1998.))~~

15 **Sec. 2.** RCW 13.40.430 and 1993 c 373 s 2 are each amended to read
16 as follows:

17 The department shall within existing funds collect such data as may
18 be necessary to monitor any disparity in processing or disposing of
19 cases involving juvenile offenders due to economic, gender, geographic,
20 or racial factors that may result from implementation of section 1,
21 chapter 373, Laws of 1993. ~~((Beginning December 1, 1993, the
22 department shall report annually to the legislature on economic,
23 gender, geographic, or racial disproportionality in the rates of
24 arrest, detention, trial, treatment, and disposition in the state's
25 juvenile justice system. The report shall cover the preceding calendar
26 year. The annual report shall identify the causes of such
27 disproportionality and shall specifically point out any economic,
28 gender, geographic, or racial disproportionality resulting from
29 implementation of section 1, chapter 373, Laws of 1993.))~~

30 **Sec. 3.** RCW 26.44.030 and 1999 c 267 s 20 and 1999 c 176 s 30 are
31 each reenacted and amended to read as follows:

32 (1)(a) When any practitioner, county coroner or medical examiner,
33 law enforcement officer, professional school personnel, registered or
34 licensed nurse, social service counselor, psychologist, pharmacist,
35 licensed or certified child care providers or their employees, employee
36 of the department, juvenile probation officer, placement and liaison
37 specialist, responsible living skills program staff, HOPE center staff,

1 or state family and children's ombudsman or any volunteer in the
2 ombudsman's office has reasonable cause to believe that a child has
3 suffered abuse or neglect, he or she shall report such incident, or
4 cause a report to be made, to the proper law enforcement agency or to
5 the department as provided in RCW 26.44.040.

6 (b) The reporting requirement also applies to department of
7 corrections personnel who, in the course of their employment, observe
8 offenders or the children with whom the offenders are in contact. If,
9 as a result of observations or information received in the course of
10 his or her employment, any department of corrections personnel has
11 reasonable cause to believe that a child has suffered abuse or neglect,
12 he or she shall report the incident, or cause a report to be made, to
13 the proper law enforcement agency or to the department as provided in
14 RCW 26.44.040.

15 (c) The reporting requirement shall also apply to any adult who has
16 reasonable cause to believe that a child who resides with them, has
17 suffered severe abuse, and is able or capable of making a report. For
18 the purposes of this subsection, "severe abuse" means any of the
19 following: Any single act of abuse that causes physical trauma of
20 sufficient severity that, if left untreated, could cause death; any
21 single act of sexual abuse that causes significant bleeding, deep
22 bruising, or significant external or internal swelling; or more than
23 one act of physical abuse, each of which causes bleeding, deep
24 bruising, significant external or internal swelling, bone fracture, or
25 unconsciousness.

26 (d) The report must be made at the first opportunity, but in no
27 case longer than forty-eight hours after there is reasonable cause to
28 believe that the child has suffered abuse or neglect. The report must
29 include the identity of the accused if known.

30 (2) The reporting requirement of subsection (1) of this section
31 does not apply to the discovery of abuse or neglect that occurred
32 during childhood if it is discovered after the child has become an
33 adult. However, if there is reasonable cause to believe other children
34 are or may be at risk of abuse or neglect by the accused, the reporting
35 requirement of subsection (1) of this section does apply.

36 (3) Any other person who has reasonable cause to believe that a
37 child has suffered abuse or neglect may report such incident to the
38 proper law enforcement agency or to the department of social and health
39 services as provided in RCW 26.44.040.

1 (4) The department, upon receiving a report of an incident of
2 alleged abuse or neglect pursuant to this chapter, involving a child
3 who has died or has had physical injury or injuries inflicted upon him
4 or her other than by accidental means or who has been subjected to
5 alleged sexual abuse, shall report such incident to the proper law
6 enforcement agency. In emergency cases, where the child's welfare is
7 endangered, the department shall notify the proper law enforcement
8 agency within twenty-four hours after a report is received by the
9 department. In all other cases, the department shall notify the law
10 enforcement agency within seventy-two hours after a report is received
11 by the department. If the department makes an oral report, a written
12 report must also be made to the proper law enforcement agency within
13 five days thereafter.

14 (5) Any law enforcement agency receiving a report of an incident of
15 alleged abuse or neglect pursuant to this chapter, involving a child
16 who has died or has had physical injury or injuries inflicted upon him
17 or her other than by accidental means, or who has been subjected to
18 alleged sexual abuse, shall report such incident in writing as provided
19 in RCW 26.44.040 to the proper county prosecutor or city attorney for
20 appropriate action whenever the law enforcement agency's investigation
21 reveals that a crime may have been committed. The law enforcement
22 agency shall also notify the department of all reports received and the
23 law enforcement agency's disposition of them. In emergency cases,
24 where the child's welfare is endangered, the law enforcement agency
25 shall notify the department within twenty-four hours. In all other
26 cases, the law enforcement agency shall notify the department within
27 seventy-two hours after a report is received by the law enforcement
28 agency.

29 (6) Any county prosecutor or city attorney receiving a report under
30 subsection (5) of this section shall notify the victim, any persons the
31 victim requests, and the local office of the department, of the
32 decision to charge or decline to charge a crime, within five days of
33 making the decision.

34 (7) The department may conduct ongoing case planning and
35 consultation with those persons or agencies required to report under
36 this section, with consultants designated by the department, and with
37 designated representatives of Washington Indian tribes if the client
38 information exchanged is pertinent to cases currently receiving child
39 protective services. Upon request, the department shall conduct such

1 planning and consultation with those persons required to report under
2 this section if the department determines it is in the best interests
3 of the child. Information considered privileged by statute and not
4 directly related to reports required by this section must not be
5 divulged without a valid written waiver of the privilege.

6 (8) Any case referred to the department by a physician licensed
7 under chapter 18.57 or 18.71 RCW on the basis of an expert medical
8 opinion that child abuse, neglect, or sexual assault has occurred and
9 that the child's safety will be seriously endangered if returned home,
10 the department shall file a dependency petition unless a second
11 licensed physician of the parents' choice believes that such expert
12 medical opinion is incorrect. If the parents fail to designate a
13 second physician, the department may make the selection. If a
14 physician finds that a child has suffered abuse or neglect but that
15 such abuse or neglect does not constitute imminent danger to the
16 child's health or safety, and the department agrees with the
17 physician's assessment, the child may be left in the parents' home
18 while the department proceeds with reasonable efforts to remedy
19 parenting deficiencies.

20 (9) Persons or agencies exchanging information under subsection (7)
21 of this section shall not further disseminate or release the
22 information except as authorized by state or federal statute.
23 Violation of this subsection is a misdemeanor.

24 (10) Upon receiving reports of alleged abuse or neglect, the
25 department or law enforcement agency may interview children. The
26 interviews may be conducted on school premises, at day-care facilities,
27 at the child's home, or at other suitable locations outside of the
28 presence of parents. Parental notification of the interview must occur
29 at the earliest possible point in the investigation that will not
30 jeopardize the safety or protection of the child or the course of the
31 investigation. Prior to commencing the interview the department or law
32 enforcement agency shall determine whether the child wishes a third
33 party to be present for the interview and, if so, shall make reasonable
34 efforts to accommodate the child's wishes. Unless the child objects,
35 the department or law enforcement agency shall make reasonable efforts
36 to include a third party in any interview so long as the presence of
37 the third party will not jeopardize the course of the investigation.

38 (11) Upon receiving a report of alleged child abuse and neglect,
39 the department or investigating law enforcement agency shall have

1 access to all relevant records of the child in the possession of
2 mandated reporters and their employees.

3 (12) The department shall maintain investigation records and
4 conduct timely and periodic reviews of all cases constituting abuse and
5 neglect. The department shall maintain a log of screened-out
6 nonabusive cases.

7 (13) The department shall use a risk assessment process when
8 investigating alleged child abuse and neglect referrals. The
9 department shall present the risk factors at all hearings in which the
10 placement of a dependent child is an issue. Substance abuse must be a
11 risk factor. The department shall, within funds appropriated for this
12 purpose, offer enhanced community-based services to persons who are
13 determined not to require further state intervention.

14 ~~((The department shall provide annual reports to the legislature on
15 the effectiveness of the risk assessment process.))~~

16 (14) Upon receipt of a report of alleged abuse or neglect the law
17 enforcement agency may arrange to interview the person making the
18 report and any collateral sources to determine if any malice is
19 involved in the reporting.

20 (15) The department shall make reasonable efforts to learn the
21 name, address, and telephone number of each person making a report of
22 abuse or neglect under this section. The department shall provide
23 assurances of appropriate confidentiality of the identification of
24 persons reporting under this section. If the department is unable to
25 learn the information required under this subsection, the department
26 shall only investigate cases in which: (a) The department believes
27 there is a serious threat of substantial harm to the child; (b) the
28 report indicates conduct involving a criminal offense that has, or is
29 about to occur, in which the child is the victim; or (c) the department
30 has, after investigation, a report of abuse or neglect that has been
31 founded with regard to a member of the household within three years of
32 receipt of the referral.

33 **Sec. 4.** RCW 34.05.328 and 1997 c 430 s 1 are each amended to read
34 as follows:

35 (1) Before adopting a rule described in subsection (5) of this
36 section, an agency shall:

37 (a) Clearly state in detail the general goals and specific
38 objectives of the statute that the rule implements;

1 (b) Determine that the rule is needed to achieve the general goals
2 and specific objectives stated under (a) of this subsection, and
3 analyze alternatives to rule making and the consequences of not
4 adopting the rule;

5 (c) Determine that the probable benefits of the rule are greater
6 than its probable costs, taking into account both the qualitative and
7 quantitative benefits and costs and the specific directives of the
8 statute being implemented;

9 (d) Determine, after considering alternative versions of the rule
10 and the analysis required under (b) and (c) of this subsection, that
11 the rule being adopted is the least burdensome alternative for those
12 required to comply with it that will achieve the general goals and
13 specific objectives stated under (a) of this subsection;

14 (e) Determine that the rule does not require those to whom it
15 applies to take an action that violates requirements of another federal
16 or state law;

17 (f) Determine that the rule does not impose more stringent
18 performance requirements on private entities than on public entities
19 unless required to do so by federal or state law;

20 (g) Determine if the rule differs from any federal regulation or
21 statute applicable to the same activity or subject matter and, if so,
22 determine that the difference is justified by the following:

23 (i) A state statute that explicitly allows the agency to differ
24 from federal standards; or

25 (ii) Substantial evidence that the difference is necessary to
26 achieve the general goals and specific objectives stated under (a) of
27 this subsection; and

28 (h) Coordinate the rule, to the maximum extent practicable, with
29 other federal, state, and local laws applicable to the same activity or
30 subject matter.

31 (2) In making its determinations pursuant to subsection (1)(b)
32 through (g) of this section, the agency shall place in the rule-making
33 file documentation of sufficient quantity and quality so as to persuade
34 a reasonable person that the determinations are justified.

35 (3) Before adopting rules described in subsection (5) of this
36 section, an agency shall place in the rule-making file a rule
37 implementation plan for rules filed under each adopting order. The
38 plan shall describe how the agency intends to:

1 (a) Implement and enforce the rule, including a description of the
2 resources the agency intends to use;

3 (b) Inform and educate affected persons about the rule;

4 (c) Promote and assist voluntary compliance; and

5 (d) Evaluate whether the rule achieves the purpose for which it was
6 adopted, including, to the maximum extent practicable, the use of
7 interim milestones to assess progress and the use of objectively
8 measurable outcomes.

9 (4) After adopting a rule described in subsection (5) of this
10 section regulating the same activity or subject matter as another
11 provision of federal or state law, an agency shall do all of the
12 following:

13 (a) Provide to the business assistance center a list citing by
14 reference the other federal and state laws that regulate the same
15 activity or subject matter;

16 (b) Coordinate implementation and enforcement of the rule with the
17 other federal and state entities regulating the same activity or
18 subject matter by making every effort to do one or more of the
19 following:

20 (i) Deferring to the other entity;

21 (ii) Designating a lead agency; or

22 (iii) Entering into an agreement with the other entities specifying
23 how the agency and entities will coordinate implementation and
24 enforcement.

25 If the agency is unable to comply with this subsection (4)(b), the
26 agency shall report to the legislature pursuant to (c) of this
27 subsection;

28 (c) Report to the joint administrative rules review committee:

29 (i) The existence of any overlap or duplication of other federal or
30 state laws, any differences from federal law, and any known overlap,
31 duplication, or conflict with local laws; and

32 (ii) Make recommendations for any legislation that may be necessary
33 to eliminate or mitigate any adverse effects of such overlap,
34 duplication, or difference.

35 (5)(a) Except as provided in (b) of this subsection, this section
36 applies to:

37 (i) Significant legislative rules of the departments of ecology,
38 labor and industries, health, revenue, social and health services, and
39 natural resources, the employment security department, the forest

1 practices board, the office of the insurance commissioner, and to the
2 legislative rules of the department of fish and wildlife implementing
3 chapter 75.20 RCW; and

4 (ii) Any rule of any agency, if this section is voluntarily made
5 applicable to the rule by the agency, or is made applicable to the rule
6 by a majority vote of the joint administrative rules review committee
7 within forty-five days of receiving the notice of proposed rule making
8 under RCW 34.05.320.

9 (b) This section does not apply to:

14 change federal statutes or regulations, Washington state statutes,
15 rules of other Washington state agencies, shoreline master programs
16 other than those programs governing shorelines of state-wide
17 significance, or, as referenced by Washington state law, national
18 consensus codes that generally establish industry standards, if the
19 material adopted or incorporated regulates the same subject matter and
20 conduct as the adopting or incorporating rule;

21 (iv) Rules that only correct typographical errors, make address or
22 name changes, or clarify language of a rule without changing its
23 effect;

24 (v) Rules the content of which is explicitly and specifically
25 dictated by statute;

26 (vi) Rules that set or adjust fees or rates pursuant to legislative
27 standards; or

28 (vii) Rules of the department of social and health services
29 relating only to client medical or financial eligibility and rules
30 concerning liability for care of dependents.

31 (c) For purposes of this subsection:

32 (i) A "procedural rule" is a rule that adopts, amends, or repeals
33 (A) any procedure, practice, or requirement relating to any agency
34 hearings; (B) any filing or related process requirement for making
35 application to an agency for a license or permit; or (C) any policy
36 statement pertaining to the consistent internal operations of an
37 agency.

1 (ii) An "interpretive rule" is a rule, the violation of which does
2 not subject a person to a penalty or sanction, that sets forth the
3 agency's interpretation of statutory provisions it administers.

4 (iii) A "significant legislative rule" is a rule other than a
5 procedural or interpretive rule that (A) adopts substantive provisions
6 of law pursuant to delegated legislative authority, the violation of

9 issuance, suspension, or revocation of a license or permit; or (C)
10 adopts a new, or makes significant amendments to, a policy or

12 (d) In the notice of proposed rule making under RCW 34.05.320, an

14 pursuant to (a)(i) of this subsection, or if the agency will apply this
15 section voluntarily.

16 ~~((6) By January 31, 1996, and by January 31st of each even-~~

34 ~~(f) Any other information considered by the office of financial~~
35 ~~management to be useful in evaluating the effect of this section.))~~

1 (1) Except as otherwise provided by law, there will be no
2 collection of overpayments and other debts due the department after the
3 expiration of six years from the date of notice of such overpayment or
4 other debt unless the department has commenced recovery action in a
5 court of law or unless an administrative remedy authorized by statute
6 is in place. However, any amount due in a case thus extended shall
7 cease to be a debt due the department at the expiration of ten years
8 from the date of the notice of the overpayment or other debt unless a
9 court-ordered remedy would be in effect for a longer period.

10 (2)((a)) The department, at any time, may accept offers of
11 compromise of disputed claims or may grant partial or total write-off
12 of any debt due the department if it is no longer cost-effective to

30 (1) The department of community, trade, and economic development
31 shall integrate an employee ownership program within its existing
32 technical assistance programs. The employee ownership program shall
33 provide technical assistance to cooperatives authorized under chapter
34 23.78 RCW and conduct educational programs on employee ownership and
35 self-management. The department shall include information on the
36 option of employee ownership wherever appropriate in its various
37 programs.

1 (2) The department shall maintain a list of firms and individuals
2 with expertise in the field of employee ownership and utilize such
3 firms and individuals, as appropriate, in delivering and coordinating

18 plan qualifies as a cooperative if at least fifty percent, plus one
19 share, of its voting shares of stock are voted on a one-person-one-vote
20 basis.

21 **Sec. 7.** RCW 70.119A.170 and 1997 c 218 s 4 are each amended to
22 read as follows:

23 (1) A drinking water assistance account is created in the state
24 treasury. Such subaccounts as are necessary to carry out the purposes
25 of this chapter are permitted to be established within the account.
26 The purpose of the account is to allow the state to use any federal
27 funds that become available to states from congress to fund a state
28 revolving loan fund program as part of the reauthorization of the
29 federal safe drinking water act. Expenditures from the account may
30 only be made by the secretary, the public works board, or the
31 department of community, trade, and economic development, after
32 appropriation. Moneys in the account may only be used, consistent with
33 federal law, to assist water systems to provide safe drinking water
34 through a program administered through the department of health, the
35 public works board, and the department of community, trade, and
36 economic development and for other activities authorized under federal
37 law. Money may be placed in the account from the proceeds of bonds
38 when authorized by the legislature, transfers from other state funds or

1 accounts, federal capitalization grants or other financial assistance,
2 all repayments of moneys borrowed from the account, all interest
3 payments made by borrowers from the account or otherwise earned on the
4 account, or any other lawful source. All interest earned on moneys
5 deposited in the account, including repayments, shall remain in the
6 account and may be used for any eligible purpose. Moneys in the
7 account may only be used to assist local governments and water systems
8 to provide safe and reliable drinking water, for other services and
9 assistance authorized by federal law to be funded from these federal
10 funds, and to administer the program.

11 (2) The department and the public works board shall establish and
12 maintain a program to use the moneys in the drinking water assistance
13 account as provided by the federal government under the safe drinking
14 water act. The department and the public works board, in consultation
15 with purveyors, local governments, local health jurisdictions,
16 financial institutions, commercial construction interests, other state
17 agencies, and other affected and interested parties, shall by January
18 1, 1999, adopt final joint rules and requirements for the provision of
19 financial assistance to public water systems as authorized under
20 federal law. Prior to the effective date of the final rules, the
21 department and the public works board may establish and utilize
22 guidelines for the sole purpose of ensuring the timely procurement of
23 financial assistance from the federal government under the safe
24 drinking water act, but such guidelines shall be converted to rules by
25 January 1, 1999. The department and the public works board shall make
26 every reasonable effort to ensure the state's receipt and disbursement
27 of federal funds to eligible public water systems as quickly as
28 possible after the federal government has made them available. ((By
