4 NEW SECTION. **Sec. 1.** A new section is added to chapter 36.28A RCW

6 (1) No later than December 31, 2001, the Washington association of  
7 sheriffs and police chiefs shall implement and operate an electronic  
8 state-wide city and county jail booking and reporting system. The  
9 system shall serve as a central repository and instant information

12 be capable of communicating electronically with every Washington state  
13 city and county jail and with all other Washington state criminal  
14 justice agencies as defined in RCW 10.97.030.

15 (2) After the Washington association of sheriffs and police chiefs  
16 has implemented an electronic jail booking system as described in  
17 subsection (1) of this section, if a city or county jail or law  
18 enforcement agency receives state or federal funding to cover the  
19 entire cost of implementing or reconfiguring an electronic jail booking

1 system, the city or county jail or law enforcement agency shall  
2 implement or reconfigure an electronic jail booking system that is in  
3 compliance with the jail booking system standards developed pursuant to  
4 subsection (4) of this section.

5 (3) After the Washington association of sheriffs and police chiefs  
6 has implemented an electronic jail booking system as described in  
7 subsection (1) of this section, city or county jails, or law  
8 enforcement agencies that operate electronic jail booking systems, but
