3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 74.14A.050 and 1998 c 245 s 149 are each amended to
5 read as follows:

6 The secretary shall:

7 (1)(a) Consult with relevant qualified professionals to develop a
8 set of minimum guidelines to be used for identifying all children who
9 are in a state-assisted support system, whether at-home or out-of-home,
10 who are likely to need long-term care or assistance, because they face
11 physical, emotional, medical, mental, or other long-term challenges;

12 (b) The guidelines must, at a minimum, consider the following
13 criteria for identifying children in need of long-term care or
14 assistance:

15 (i) Placement within the foster care system for two years or more;

16 (ii) Multiple foster care placements;

17 (iii) Repeated unsuccessful efforts to be placed with a permanent

1 (v) Repetitive criminal acts or offenses;

6 similar conditions necessitating long-term care or assistance;

7 (2) Develop programs that are necessary for the long-term care of
8 children and youth that are identified for the purposes of this

11 and (b) incorporate an array of family support options, to individual
12 needs and choices of the child and family. The programs must be ready
13 for implementation by January 1, 1995;

14 (3) Conduct an evaluation of all children currently within the
15 foster care agency caseload to identify those children who meet the
16 criteria set forth in this section. The evaluation shall be completed
17 by January 1, 1994. All children entering the foster care system after
18 January 1, 1994, must be evaluated for identification of long-term
19 needs within thirty days of placement;

20 (4) By region, report to the legislature on the following using

29 provide services to the foster child to meet his or her needs; and

30 (e) Whether and how the evaluation results assisted the department
31 in providing appropriate services to the child, matching the child with
32 an appropriate care provider early on in the child's placement and
33 achieving the child's permanency plan in a timely fashion.

34 (5) Each region of the department shall make the appropriate number
35 of referrals to the foster care assessment program to ensure that the
36 services offered by the program are used to the extent funded pursuant
37 to the department's contract with the program. The department shall
38 report to the legislature by November 30, 2000, on the number of
39 referrals, by region, to the foster care assessment program. If the

1 regions are not referring an adequate number of cases to the program,
2 the department shall include in its report an explanation of what
3 action it is or has taken to ensure that the referrals are adequate.

4 (6) The department shall report to the legislature by December 15,
