SUBSTITUTE HOUSE BILL 1222

AS AMENDED BY THE SENATE

Passed Legislature - 1999 Regular Session

State of Washington 56th Legislature 1999 Regular Session

By House Committee on Capital Budget (originally sponsored by Representatives Ogden, Mitchell, Lantz, Murray, Constantine, Hankins and O'Brien)

Read first time 02/17/1999.

1 AN ACT Relating to capital projects for local nonprofit art,
2 cultural, heritage, and social service organizations; amending RCW
3 27.34.330 and 43.63A.125; adding a new section to chapter 43.63A RCW;
4 and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 43.63A RCW
7 to read as follows:

8 (1) A competitive grant program to assist nonprofit organizations
9 in acquiring, constructing, or rehabilitating performing arts, art
10 museums, and cultural facilities is created.

11 (2)(a) The department shall submit a list of recommended performing
12 arts, art museum projects, and cultural organization projects eligible
13 for funding to the governor and the legislature in the department's
14 biennial capital budget request beginning with the 2001-2003 biennium
15 and thereafter. The list, in priority order, shall include a
16 description of each project, the amount of recommended state funding,
17 and documentation of nonstate funds to be used for the project. The
18 total amount of recommended state funding for projects on a biennial
19 project list shall not exceed four million dollars. The department may

1 provide an additional alternate project list which shall not exceed
2 five hundred thousand dollars.

3 (b) The department shall establish a competitive process to
4 prioritize applications for state assistance as follows:

5 (i) The department shall conduct a state-wide solicitation of
6 project applications from nonprofit organizations, local governments,
7 and other entities, as determined by the department. The department
8 shall evaluate and rank applications in consultation with a citizen
9 advisory committee, including a representative from the state arts
10 commission, using objective criteria. The evaluation and ranking
11 process shall also consider local community support for projects and an
12 examination of existing assets that applicants may apply to projects.

13 (ii) The department may establish the amount of state grant
14 assistance for individual project applications but the amount shall not
15 exceed twenty percent of the estimated total capital cost or actual
16 cost of a project, whichever is less. The remaining portions of the
17 project capital cost shall be a match from nonstate sources. The
18 nonstate match may include cash, the value of real property when
19 acquired solely for the purpose of the project, and in-kind
20 contributions. The department is authorized to set matching
21 requirements for individual projects. State assistance may be used to
22 fund separate definable phases of a project if the project demonstrates
23 adequate progress and has secured the necessary match funding.

24 (iii) The department shall not sign contracts or otherwise
25 financially obligate funds under this section until the legislature has
26 approved a specific list of projects. In contracts for grants
27 authorized under this section, the department shall include provisions
28 requiring that capital improvements be held by the grantee for a
29 specified period of time appropriate to the amount of the grant and
30 that facilities be used for the express purpose of the grant. If the
31 grantee is found to be out of compliance with provisions of the
32 contract, the grantee shall repay to the state general fund the
33 principal amount of the grant plus interest calculated at the rate of
34 interest on state of Washington general obligation bonds issued most
35 closely to the date of authorization of the grant.

36 **Sec. 2.** RCW 27.34.330 and 1995 c 182 s 2 are each amended to read
37 as follows:

1 The Washington state historical society shall establish a
2 competitive process to solicit proposals for and prioritize heritage
3 capital projects for potential funding in the state capital budget.
4 The society shall adopt rules governing project eligibility and
5 evaluation criteria. Application for funding of specific projects may
6 be made to the society by local governments, public development
7 authorities, nonprofit corporations, tribal governments, and other
8 entities, as determined by the society. The society, with the advice
9 of leaders in the heritage field, including but not limited to
10 representatives from the office of the secretary of state, the eastern
11 Washington state historical society, and the state office of
12 archaeology and historic preservation, shall establish and submit a
13 prioritized list of heritage capital projects to ~~((be recommended to~~
14 ~~the governor and the legislature by September 1st of each even-numbered~~
15 ~~year, beginning in 1996. The prioritized list shall be developed~~
16 ~~through open and public meetings. The governor and the legislature~~
17 ~~shall consider the prioritized list of heritage projects as a guide for~~
18 ~~appropriating funds to heritage capital projects beginning with the~~
19 ~~1997-99 biennium and thereafter))~~ the governor and the legislature in
20 the society's biennial capital budget request. The list shall include
21 a description of each project, the amount of recommended state funding,
22 and documentation of nonstate funds to be used for the project. The
23 total amount of recommended state funding for projects on a biennial
24 project list shall not exceed four million dollars. The department may
25 provide an additional alternate project list which shall not exceed
26 five hundred thousand dollars. The prioritized list shall be developed
27 through open and public meetings and the amount of state funding shall
28 not exceed thirty-three percent of the total cost of the project. The
29 nonstate portion of the total project cost may include cash, the value
30 of real property when acquired solely for the purpose of the project,
31 and in-kind contributions. The department shall not sign contracts or
32 otherwise financially obligate funds under this section until the
33 legislature has approved a specific list of projects. In contracts for
34 grants authorized under this section, the society shall include
35 provisions requiring that capital improvements be held by the grantee
36 for a specified period of time appropriate to the amount of the grant
37 and that facilities be used for the express purpose of the grant. If
38 the grantee is found to be out of compliance with provisions of the
39 contract, the grantee shall repay to the state general fund the

1 principal amount of the grant plus interest calculated at the rate of
2 interest on state of Washington general obligation bonds issued most
3 closely to the date of authorization of the grant.

20 minimum, applicants must demonstrate that the requested assistance will
21 increase the efficiency or quality of the social services it provides
22 to citizens. The evaluation and ranking process shall also include an
23 examination of existing assets that applicants may apply to projects.
24 Grant assistance under this section shall not exceed twenty-five
25 percent of the total cost of the project. The nonstate portion of the
26 total project cost may include~~((, but is not limited to, land,~~
27 ~~facilities))~~ cash, the value of real property when acquired solely for
28 the purpose of the project, and in-kind contributions.

15 plus interest calculated at the rate of interest on state of Washington
16 general obligation bonds issued most closely to the date of
17 authorization of the grant.

18 ((4) ~~The department shall develop model contract provisions for~~
