6 48.43.095; and providing effective dates.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** PATIENT RIGHTS. It is the intent of the  
9 legislature that enrollees covered by health plans receive quality  
10 health care designed to maintain and improve their health. The purpose  
11 of this act is to ensure that health plan enrollees:

12 (1) Have improved access to information regarding their health  
13 plans;

14 (2) Have sufficient and timely access to appropriate health care  
15 services, and choice among health care providers;

16 (3) Are assured that health care decisions are made by appropriate  
17 medical personnel;

18 (4) Have access to a quick and impartial process for appealing plan  
19 decisions;

1 (5) Are protected from unnecessary invasions of health care  
2 privacy; and

3 (6) Are assured that personal health care information will be used  
4 only as necessary to obtain and pay for health care or to improve the  
5 quality of care.

6 NEW SECTION. **Sec. 2.** A new section is added to chapter 70.02 RCW  
7 to read as follows:

8 HEALTH INFORMATION PRIVACY. Third-party payors shall not release  
9 health care information disclosed under this chapter, except to the  
10 extent that health care providers are authorized to do so under RCW  
11 70.02.050.

12 **Sec. 3.** RCW 70.02.110 and 1991 c 335 s 402 are each amended to  
13 read as follows:

14 HEALTH INFORMATION PRIVACY. (1) In making a correction or  
15 amendment, the health care provider shall:

16 (a) Add the amending information as a part of the health record;  
17 and

18 (b) Mark the challenged entries as corrected or amended entries and  
19 indicate the place in the record where the corrected or amended  
20 information is located, in a manner practicable under the  
21 circumstances.

22 (2) If the health care provider maintaining the record of the  
23 patient's health care information refuses to make the patient's  
24 proposed correction or amendment, the provider shall:

25 (a) Permit the patient to file as a part of the record of the  
26 patient's health care information a concise statement of the correction  
27 or amendment requested and the reasons therefor; and

28 (b) Mark the challenged entry to indicate that the patient claims  
29 the entry is inaccurate or incomplete and indicate the place in the  
30 record where the statement of disagreement is located, in a manner  
31 practicable under the circumstances.

32 (3) A health care provider who receives a request from a patient to  
33 amend or correct the patient's health care information, as provided in  
34 RCW 70.02.100, shall forward any changes made in the patient's health  
35 care information or health record, including any statement of  
36 disagreement, to any third-party payor or insurer to which the health

1 care provider has disclosed the health care information that is the  
2 subject of the request.

3 **Sec. 4.** RCW 70.02.900 and 1991 c 335 s 901 are each amended to  
4 read as follows:

5 HEALTH INFORMATION PRIVACY. (1) This chapter does not restrict a  
6 health care provider, a third-party payor, or an insurer regulated  
7 under Title 48 RCW from complying with obligations imposed by federal  
8 or state health care payment programs or federal or state law.

9 (2) This chapter does not modify the terms and conditions of  
10 disclosure under Title 51 RCW and chapters 13.50, 26.09, 70.24, 70.39,  
11 70.96A, 71.05, and 71.34 RCW and rules adopted under these provisions.

12 NEW SECTION. **Sec. 5.** HEALTH INFORMATION PRIVACY. (1) Health  
13 carriers and insurers shall adopt policies and procedures that conform  
14 administrative, business, and operational practices to protect an  
15 enrollee's right to privacy or right to confidential health care  
16 services granted under state or federal laws.

17 (2) The commissioner may adopt rules to implement this section  
18 after considering relevant standards adopted by national managed care  
19 accreditation organizations and the national association of insurance  
20 commissioners, and after considering the effect of those standards on  
21 the ability of carriers to undertake enrollee care management and  
22 disease management programs.

23 NEW SECTION. **Sec. 6.** INFORMATION DISCLOSURE. (1) A carrier that  
24 offers a health plan may not offer to sell a health plan to an enrollee  
25 or to any group representative, agent, employer, or enrollee  
26 representative without first offering to provide, and providing upon  
27 request, the following information before purchase or selection:

28 (a) A listing of covered benefits, including prescription drug  
29 benefits, if any, a copy of the current formulary, if any is used,  
30 definitions of terms such as generic versus brand name, and policies  
31 regarding coverage of drugs, such as how they become approved or taken  
32 off the formulary, and how consumers may be involved in decisions about  
33 benefits;

34 (b) A listing of exclusions, reductions, and limitations to covered  
35 benefits, and any definition of medical necessity or other coverage  
36 criteria upon which they may be based;

1 (c) A statement of the carrier's policies for protecting the  
2 confidentiality of health information;

3 (d) A statement of the cost of premiums and any enrollee cost-  
4 sharing requirements;

5 (e) A summary explanation of the carrier's grievance process;

6 (f) A statement regarding the availability of a point-of-service  
7 option, if any, and how the option operates; and

8 (g) A convenient means of obtaining lists of participating primary  
9 care and specialty care providers, including disclosure of network  
10 arrangements that restrict access to providers within any plan network.  
11 The offer to provide the information referenced in this subsection (1)  
12 must be clearly and prominently displayed on any information provided  
13 to any prospective enrollee or to any prospective group representative,  
14 agent, employer, or enrollee representative.

15 (2) Upon the request of any person, including a current enrollee,  
16 prospective enrollee, or the insurance commissioner, a carrier must  
17 provide written information regarding any health care plan it offers,  
18 that includes the following written information:

19 (a) Any documents, instruments, or other information referred to in  
20 the medical coverage agreement;

21 (b) A full description of the procedures to be followed by an  
22 enrollee for consulting a provider other than the primary care provider  
23 and whether the enrollee's primary care provider, the carrier's medical  
24 director, or another entity must authorize the referral;

25 (c) Procedures, if any, that an enrollee must first follow for  
26 obtaining prior authorization for health care services;

27 (d) A written description of any reimbursement or payment  
28 arrangements, including, but not limited to, capitation provisions,  
29 fee-for-service provisions, and health care delivery efficiency  
30 provisions, between a carrier and a provider or network;

31 (e) Descriptions and justifications for provider compensation  
32 programs, including any incentives or penalties that are intended to  
33 encourage providers to withhold services or minimize or avoid referrals  
34 to specialists;

35 (f) An annual accounting of all payments made by the carrier which  
36 have been counted against any payment limitations, visit limitations,  
37 or other overall limitations on a person's coverage under a plan;

38 (g) A copy of the carrier's grievance process for claim or service  
39 denial and for dissatisfaction with care; and

1 (h) Accreditation status with one or more national managed care  
2 accreditation organizations, and whether the carrier tracks its health  
3 care effectiveness performance using the health employer data  
4 information set (HEDIS), whether it publicly reports its HEDIS data,  
5 and how interested persons can access its HEDIS data.

6 (3) Each carrier shall provide to all enrollees and prospective  
7 enrollees a list of available disclosure items.

8 (4) Nothing in this section requires a carrier or a health care  
9 provider to divulge proprietary information to an enrollee, including  
10 the specific contractual terms and conditions between a carrier and a  
11 provider.

12 (5) No carrier may advertise or market any health plan to the  
13 public as a plan that covers services that help prevent illness or  
14 promote the health of enrollees unless it:

15 (a) Provides all clinical preventive health services provided by  
16 the basic health plan, authorized by chapter 70.47 RCW;

17 (b) Monitors and reports annually to enrollees on standardized  
18 measures of health care and satisfaction of all enrollees in the health  
19 plan. The state department of health shall recommend appropriate  
20 standardized measures for this purpose, after consideration of national  
21 standardized measurement systems adopted by national managed care  
22 accreditation organizations and state agencies that purchase managed  
23 health care services; and

24 (c) Makes available upon request to enrollees its integrated plan  
25 to identify and manage the most prevalent diseases within its enrolled  
26 population, including cancer, heart disease, and stroke.

27 (6) No carrier may preclude or discourage its providers from  
28 informing an enrollee of the care he or she requires, including various  
29 treatment options, and whether in the providers' view such care is  
30 consistent with the plan's health coverage criteria, or otherwise  
31 covered by the enrollee's medical coverage agreement with the carrier.  
32 No carrier may prohibit, discourage, or penalize a provider otherwise  
33 practicing in compliance with the law from advocating on behalf of an  
34 enrollee with a carrier. Nothing in this section shall be construed to  
35 authorize a provider to bind a carrier to pay for any service.

36 (7) No carrier may preclude or discourage enrollees or those paying  
37 for their coverage from discussing the comparative merits of different  
38 carriers with their providers. This prohibition specifically includes

1 prohibiting or limiting providers participating in those discussions  
2 even if critical of a carrier.

3 (8) Each carrier must communicate enrollee information required in  
4 this act by means that ensure that a substantial portion of the  
5 enrollee population can make use of the information.

6 (9) The commissioner may adopt rules to implement this section. In  
7 developing rules to implement this section, the commissioner shall  
8 consider relevant standards adopted by national managed care  
9 accreditation organizations and state agencies that purchase managed  
10 health care services.

11 NEW SECTION. **Sec. 7. ACCESS TO APPROPRIATE HEALTH SERVICES.** (1)  
12 Each enrollee in a health plan must have adequate choice among health  
13 care providers.

14 (2) Each carrier must allow an enrollee to choose a primary care  
15 provider who is accepting new enrollees from a list of participating  
16 providers. Enrollees also must be permitted to change primary care  
17 providers at any time with the change becoming effective no later than  
18 the beginning of the month following the enrollee's request for the  
19 change.

20 (3) Each carrier must have a process whereby an enrollee with a  
21 complex or serious medical or psychiatric condition may receive a  
22 standing referral to a participating specialist for an extended period  
23 of time.

24 (4) Each carrier must provide for appropriate and timely referral  
25 of enrollees to a choice of specialists within the plan if specialty  
26 care is warranted. If the type of medical specialist needed for a  
27 specific condition is not represented on the specialty panel, enrollees  
28 must have access to nonparticipating specialty health care providers.

29 (5) Each carrier shall provide enrollees with direct access to the  
30 participating chiropractor of the enrollee's choice for covered  
31 chiropractic health care without the necessity of prior referral.  
32 Nothing in this subsection shall prevent carriers from restricting  
33 enrollees to seeing only providers who have signed participating  
34 provider agreements or from utilizing other managed care and cost  
35 containment techniques and processes. For purposes of this subsection,  
36 "covered chiropractic health care" means covered benefits and  
37 limitations related to chiropractic health services as stated in the

1 plan's medical coverage agreement, with the exception of any provisions  
2 related to prior referral for services.

3 (6) Each carrier must provide, upon the request of an enrollee,  
4 access by the enrollee to a second opinion regarding any medical  
5 diagnosis or treatment plan from a qualified participating provider of  
6 the enrollee's choice.

7 (7) Each carrier must cover services of a primary care provider  
8 whose contract with the plan or whose contract with a subcontractor is  
9 being terminated by the plan or subcontractor without cause under the  
10 terms of that contract for at least sixty days following notice of  
11 termination to the enrollees or, in group coverage arrangements  
12 involving periods of open enrollment, only until the end of the next  
13 open enrollment period. The provider's relationship with the carrier  
14 or subcontractor must be continued on the same terms and conditions as  
15 those of the contract the plan or subcontractor is terminating, except  
16 for any provision requiring that the carrier assign new enrollees to  
17 the terminated provider.

18 (8) Every carrier shall meet the standards set forth in this  
19 section and any rules adopted by the commissioner to implement this  
20 section. In developing rules to implement this section, the  
21 commissioner shall consider relevant standards adopted by national  
22 managed care accreditation organizations and state agencies that  
23 purchase managed health care services.

24 NEW SECTION. **Sec. 8.** HEALTH CARE DECISIONS. (1) Carriers that  
25 offer a health plan shall maintain a documented utilization review  
26 program description and written utilization review criteria based on  
27 reasonable medical evidence. The program must include a method for  
28 reviewing and updating criteria. Carriers shall make clinical  
29 protocols, medical management standards, and other review criteria  
30 available upon request to participating providers.

31 (2) The commissioner shall adopt, in rule, standards for this  
32 section after considering relevant standards adopted by national  
33 managed care accreditation organizations and state agencies that  
34 purchase managed health care services.

35 (3) A carrier shall not be required to use medical evidence or  
36 standards in its utilization review of religious nonmedical treatment  
37 or religious nonmedical nursing care.

1        NEW SECTION.    **Sec. 9.**    RETROSPECTIVE DENIAL OF SERVICES.    (1) A  
2 health carrier that offers a health plan shall not retrospectively deny  
3 coverage for emergency and nonemergency care that had prior  
4 authorization under the plan's written policies at the time the care  
5 was rendered.

6        (2) The commissioner shall adopt, in rule, standards for this  
7 section after considering relevant standards adopted by national  
8 managed care accreditation organizations and state agencies that  
9 purchase managed health care services.

10       NEW SECTION.    **Sec. 10.**    GRIEVANCE PROCESS.    (1) Each carrier that  
11 offers a health plan must have a fully operational, comprehensive  
12 grievance process that complies with the requirements of this section  
13 and any rules adopted by the commissioner to implement this section.  
14 For the purposes of this section, the commissioner shall consider  
15 grievance process standards adopted by national managed care  
16 accreditation organizations and state agencies that purchase managed  
17 health care services.

18        (2) Each carrier must process as a complaint an enrollee's  
19 expression of dissatisfaction about customer service or the quality or  
20 availability of a health service.    Each carrier must implement  
21 procedures for registering and responding to oral and written  
22 complaints in a timely and thorough manner.

23        (3) Each carrier must provide written notice to an enrollee or the  
24 enrollee's designated representative, and the enrollee's provider, of  
25 its decision to deny, modify, reduce, or terminate payment, coverage,  
26 authorization, or provision of health care services or benefits,  
27 including the admission to or continued stay in a health care facility.

28        (4) Each carrier must process as an appeal an enrollee's written or  
29 oral request that the carrier reconsider:    (a) Its resolution of a  
30 complaint made by an enrollee; or (b) its decision to deny, modify,  
31 reduce, or terminate payment, coverage, authorization, or provision of  
32 health care services or benefits, including the admission to, or  
33 continued stay in, a health care facility.    A carrier must not require  
34 that an enrollee file a complaint prior to seeking appeal of a decision  
35 under (b) of this subsection.

36        (5) To process an appeal, each carrier must:

37        (a) Provide written notice to the enrollee when the appeal is  
38 received;

1 (b) Assist the enrollee with the appeal process;

2 (c) Make its decision regarding the appeal within thirty days of  
3 the date the appeal is received. An appeal must be expedited if the  
4 enrollee's provider or the carrier's medical director reasonably  
5 determines that following the appeal process response timelines could  
6 seriously jeopardize the enrollee's life, health, or ability to regain  
7 maximum function. The decision regarding an expedited appeal must be  
8 made within seventy-two hours of the date the appeal is received;

9 (d) Cooperate with a representative authorized in writing by the  
10 enrollee;

11 (e) Consider information submitted by the enrollee;

12 (f) Investigate and resolve the appeal; and

13 (g) Provide written notice of its resolution of the appeal to the  
14 enrollee and, with the permission of the enrollee, to the enrollee's  
15 providers. The written notice must explain the carrier's decision and  
16 the supporting coverage or clinical reasons and the enrollee's right to  
17 request independent review of the carrier's decision under section 11  
18 of this act.

19 (6) Written notice required by subsection (3) of this section must  
20 explain:

21 (a) The carrier's decision and the supporting coverage or clinical  
22 reasons; and

23 (b) The carrier's appeal process, including information, as  
24 appropriate, about how to exercise the enrollee's rights to obtain a  
25 second opinion, and how to continue receiving services as provided in  
26 this section.

27 (7) When an enrollee requests that the carrier reconsider its  
28 decision to modify, reduce, or terminate an otherwise covered health  
29 service that an enrollee is receiving through the health plan and the  
30 carrier's decision is based upon a finding that the health service, or  
31 level of health service, is no longer medically necessary or  
32 appropriate, the carrier must continue to provide that health service  
33 until the appeal is resolved. If the resolution of the appeal or any  
34 review sought by the enrollee under section 11 of this act affirms the  
35 carrier's decision, the enrollee may be responsible for the cost of  
36 this continued health service.

37 (8) Each carrier must provide a clear explanation of the grievance  
38 process upon request, upon enrollment to new enrollees, and annually to  
39 enrollees and subcontractors.

1 (9) Each carrier must ensure that the grievance process is  
2 accessible to enrollees who are limited English speakers, who have  
3 literacy problems, or who have physical or mental disabilities that  
4 impede their ability to file a grievance.

5 (10) Each carrier must: Track each appeal until final resolution;  
6 maintain, and make accessible to the commissioner for a period of three  
7 years, a log of all appeals; and identify and evaluate trends in  
8 appeals.

9 NEW SECTION. **Sec. 11.** INDEPENDENT REVIEW OF HEALTH CARE DISPUTES.

10 (1) There is a need for a process for the fair consideration of  
11 disputes relating to decisions by carriers that offer a health plan to  
12 deny, modify, reduce, or terminate coverage of or payment for health  
13 care services for an enrollee.

14 (2) An enrollee may seek review by a certified independent review  
15 organization of a carrier's decision to deny, modify, reduce, or  
16 terminate coverage of or payment for a health care service, after  
17 exhausting the carrier's grievance process and receiving a decision  
18 that is unfavorable to the enrollee, or after the carrier has exceeded  
19 the timelines for grievances provided in section 10 of this act,  
20 without good cause and without reaching a decision.

21 (3) The commissioner must establish and use a rotational registry  
22 system for the assignment of a certified independent review  
23 organization to each dispute. The system should be flexible enough to  
24 ensure that an independent review organization has the expertise  
25 necessary to review the particular medical condition or service at  
26 issue in the dispute.

27 (4) Carriers must provide to the appropriate certified independent  
28 review organization, not later than the third business day after the  
29 date the carrier receives a request for review, a copy of:

30 (a) Any medical records of the enrollee that are relevant to the  
31 review;

32 (b) Any documents used by the carrier in making the determination  
33 to be reviewed by the certified independent review organization;

34 (c) Any documentation and written information submitted to the  
35 carrier in support of the appeal; and

36 (d) A list of each physician or health care provider who has  
37 provided care to the enrollee and who may have medical records relevant  
38 to the appeal. Health information or other confidential or proprietary

1 information in the custody of a carrier may be provided to an  
2 independent review organization, subject to rules adopted by the  
3 commissioner.

4 (5) The medical reviewers from a certified independent review  
5 organization will make determinations regarding the medical necessity  
6 or appropriateness of, and the application of health plan coverage  
7 provisions to, health care services for an enrollee. The medical  
8 reviewers' determinations must be based upon their expert medical  
9 judgment, after consideration of relevant medical, scientific, and  
10 cost-effectiveness evidence, and medical standards of practice in the  
11 state of Washington. Except as provided in this subsection, the  
12 certified independent review organization must ensure that  
13 determinations are consistent with the scope of covered benefits as  
14 outlined in the medical coverage agreement. Medical reviewers may  
15 override the health plan's medical necessity or appropriateness  
16 standards if the standards are determined upon review to be  
17 unreasonable or inconsistent with sound, evidence-based medical  
18 practice.

19 (6) Once a request for an independent review determination has been  
20 made, the independent review organization must proceed to a final  
21 determination, unless requested otherwise by both the carrier and the  
22 enrollee or the enrollee's representative.

23 (7) Carriers must timely implement the certified independent review  
24 organization's determination, and must pay the certified independent  
25 review organization's charges.

26 (8) When an enrollee requests independent review of a dispute under  
27 this section, and the dispute involves a carrier's decision to modify,  
28 reduce, or terminate an otherwise covered health service that an  
29 enrollee is receiving at the time the request for review is submitted  
30 and the carrier's decision is based upon a finding that the health  
31 service, or level of health service, is no longer medically necessary  
32 or appropriate, the carrier must continue to provide the health service  
33 if requested by the enrollee until a determination is made under this  
34 section. If the determination affirms the carrier's decision, the  
35 enrollee may be responsible for the cost of the continued health  
36 service.

37 (9) A certified independent review organization may notify the  
38 office of the insurance commissioner if, based upon its review of

1 disputes under this section, it finds a pattern of substandard or  
2 egregious conduct by a carrier.

3 (10)(a) The commissioner shall adopt rules to implement this  
4 section after considering relevant standards adopted by national  
5 managed care accreditation organizations.

6 (b) This section is not intended to supplant any existing authority  
7 of the office of the insurance commissioner under this title to oversee  
8 and enforce carrier compliance with applicable statutes and rules.

9 NEW SECTION. **Sec. 12.** A new section is added to chapter 43.70 RCW  
10 to read as follows:

11 INDEPENDENT REVIEW ORGANIZATIONS. (1) The department shall adopt  
12 rules providing a procedure and criteria for certifying one or more  
13 organizations to perform independent review of health care disputes  
14 described in section 11 of this act.

15 (2) The rules must require that the organization ensure:

16 (a) The confidentiality of medical records transmitted to an  
17 independent review organization for use in independent reviews;

18 (b) That each health care provider, physician, or contract  
19 specialist making review determinations for an independent review  
20 organization is qualified. Physicians, other health care providers,  
21 and, if applicable, contract specialists must be appropriately  
22 licensed, certified, or registered as required in Washington state or  
23 in at least one state with standards substantially comparable to  
24 Washington state. Reviewers may be drawn from nationally recognized  
25 centers of excellence, academic institutions, and recognized leading  
26 practice sites. Expert medical reviewers should have substantial,  
27 recent clinical experience dealing with the same or similar health  
28 conditions. The organization must have demonstrated expertise and a  
29 history of reviewing health care in terms of medical necessity,  
30 appropriateness, and the application of other health plan coverage  
31 provisions;

32 (c) That any physician, health care provider, or contract  
33 specialist making a review determination in a specific review is free  
34 of any actual or potential conflict of interest or bias. Neither the  
35 expert reviewer, nor the independent review organization, nor any  
36 officer, director, or management employee of the independent review  
37 organization may have any material professional, familial, or financial  
38 affiliation with any of the following: The health carrier;

1 professional associations of carriers and providers; the provider; the

14 organization receives the request that the determination be made. In  
15 exceptional circumstances, when the independent review organization has  
16 not obtained information necessary to make a determination, a  
17 determination may be made by the twenty-fifth day after the date the  
18 organization received the request for the determination; and

19 (ii) In cases of a condition that could seriously jeopardize the  
20 enrollee's health or ability to regain maximum function, not later than  
21 the earlier of:

26 organization receives the request that the determination be made;

27 (f) That timely notice is provided to enrollees of the results of  
28 the independent review, including the clinical basis for the  
29 determination;

30 (g) That the independent review organization has a quality  
31 assurance mechanism in place that ensures the timeliness and quality of  
32 review and communication of determinations to enrollees and carriers,  
33 and the qualifications, impartiality, and freedom from conflict of  
34 interest of the organization, its staff, and expert reviewers; and

35 (h) That the independent review organization meets any other  
36 reasonable requirements of the department directly related to the  
37 functions the organization is to perform under this section and section  
38 11 of this act.

1 (3) To be certified as an independent review organization under

33 independent review organization shall submit updated information to the  
34 department.

35 (5) An independent review organization may not be a subsidiary of,  
36 or in any way owned or controlled by, a carrier or a trade or  
37 professional association of health care providers or carriers.

38 (6) An independent review organization, and individuals acting on  
39 its behalf, are immune from suit in a civil action when performing

9 department may review the operation and performance of an independent  
10 review organization in response to complaints or other concerns about  
11 compliance.

12 (9) In adopting rules for this section, the department shall take  
13 into consideration standards for independent review organizations  
14 adopted by national accreditation organizations. The department may  
15 accept national accreditation or certification by another state as  
16 evidence that an organization satisfies some or all of the requirements  
17 for certification by the department as an independent review  
18 organization.

19 NEW SECTION. **Sec. 13.** CARRIER MEDICAL DIRECTOR. Any carrier that  
20 offers a health plan and any self-insured health plan subject to the

23 or complementary alternative health plan, which provides solely  
24 complementary alternative health care to individuals, groups, or health  
25 plans, may have a medical director licensed under chapter 18.36A RCW.  
26 A health plan or self-insured health plan that offers only religious  
27 nonmedical treatment or religious nonmedical nursing care shall not be  
28 required to have a medical director.

29 **Sec. 14.** RCW 51.04.020 and 1994 c 164 s 24 are each amended to  
30 read as follows:

17 the other state, and insofar as permitted by the Constitution and laws  
18 of the United States, to enter into similar agreements with the  
19 provinces of Canada; and

20 (10) Designate a medical director who is licensed under chapter  
21 18.57 or 18.71 RCW.

22 **Sec. 15.** RCW 74.09.050 and 1979 c 141 s 335 are each amended to  
23 read as follows:

24 The secretary shall appoint such professional personnel and other  
25 assistants and employees, including professional medical screeners, as  
26 may be reasonably necessary to carry out the provisions of this  
27 chapter. The medical screeners shall be supervised by one or more  
28 physicians who shall be appointed by the secretary or his or her  
29 designee. The secretary shall appoint a medical director who is  
30 licensed under chapter 18.57 or 18.71 RCW.

31 NEW SECTION. **Sec. 16.** A new section is added to chapter 41.05 RCW  
32 to read as follows:

33 HEALTH CARE AUTHORITY MEDICAL DIRECTOR. The administrator shall  
34 designate a medical director who is licensed under chapter 18.57 or  
35 18.71 RCW.

1        NEW SECTION.    **Sec. 17.**    CARRIER LIABILITY.    (1)(a) A health carrier  
2 shall adhere to the accepted standard of care for health care providers  
3 under chapter 7.70 RCW when arranging for the provision of medically  
4 necessary health care services to its enrollees.    A health carrier  
5 shall be liable for any and all harm proximately caused by its failure  
6 to follow that standard of care when the failure resulted in the  
7 denial, delay, or modification of the health care service recommended  
8 for, or furnished to, an enrollee.

9        (b) A health carrier is also liable for damages under (a) of this  
10 subsection for harm to an enrollee proximately caused by health care  
11 treatment decisions that result from a failure to follow the accepted  
12 standard of care made by its:

13        (i) Employees;

14        (ii) Agents; or

15        (iii) Ostensible agents who are acting on its behalf and over whom  
16 it has the right to exercise influence or control or has actually  
17 exercised influence or control.

18        (2) The provisions of this section may not be waived, shifted, or  
19 modified by contract or agreement and responsibility for the provisions  
20 shall be a duty that cannot be delegated.    Any effort to waive, modify,  
21 delegate, or shift liability for a breach of the duty established by  
22 this section, through a contract for indemnification or otherwise, is  
23 invalid.

24        (3) This section does not create any new cause of action, or  
25 eliminate any presently existing cause of action, with respect to  
26 health care providers and health care facilities that are included in  
27 and subject to the provisions of chapter 7.70 RCW.

28        (4) It is a defense to any action or liability asserted under this  
29 section against a health carrier that:

30        (a) The health care service in question is not a benefit provided  
31 under the plan or the service is subject to limitations under the plan  
32 that have been exhausted;

33        (b) Neither the health carrier, nor any employee, agent, or  
34 ostensible agent for whose conduct the health carrier is liable under  
35 subsection (1)(b) of this section, controlled, influenced, or  
36 participated in the health care decision; or

37        (c) The health carrier did not deny or unreasonably delay payment  
38 for treatment prescribed or recommended by a participating health care  
39 provider for the enrollee.

1 (5) This section does not create any liability on the part of an  
2 employer, an employer group purchasing organization that purchases  
3 coverage or assumes risk on behalf of its employers, or a governmental  
4 agency that purchases coverage on behalf of individuals and families.  
5 The governmental entity established to offer and provide health  
6 insurance to public employees, public retirees, and their covered  
7 dependents under RCW 41.05.140 is subject to liability under this  
8 section.

9 (6) Nothing in any law of this state prohibiting a health carrier  
10 from practicing medicine or being licensed to practice medicine may be  
11 asserted as a defense by the health carrier in an action brought  
12 against it under this section.

13 (7)(a) A person may not maintain a cause of action under this  
14 section against a health carrier unless:

15 (i) The affected enrollee has suffered substantial harm. As used  
16 in this subsection, "substantial harm" means loss of life, loss or  
17 significant impairment of limb, bodily or cognitive function,  
18 significant disfigurement, or severe or chronic physical pain; and

19 (ii) The affected enrollee or the enrollee's representative has  
20 exercised the opportunity established in section 11 of this act to seek  
21 independent review of the health care treatment decision.

22 (b) This subsection (7) does not prohibit an enrollee from pursuing  
23 other appropriate remedies, including injunctive relief, a declaratory  
24 judgment, or other relief available under law, if its requirements  
25 place the enrollee's health in serious jeopardy.

26 (8) In an action against a health carrier, a finding that a health  
27 care provider is an employee, agent, or ostensible agent of such a  
28 health carrier shall not be based solely on proof that the person's  
29 name appears in a listing of approved physicians or health care  
30 providers made available to enrollees under a health plan.

31 (9) Any action under this section shall be commenced within three  
32 years of the completion of the independent review process.

33 (10) This section does not apply to workers' compensation insurance  
34 under Title 51 RCW.

35 NEW SECTION. **Sec. 18.** DELEGATION OF DUTIES. Each carrier is  
36 accountable for and must oversee any activities required by this act  
37 that it delegates to any subcontractor. No contract with a  
38 subcontractor executed by the health carrier or the subcontractor may

1 relieve the health carrier of its obligations to any enrollee for the  
2 provision of health care services or of its responsibility for  
3 compliance with statutes or rules.

4 NEW SECTION. **Sec. 19.** APPLICATION. This act applies to: Health  
5 plans as defined in RCW 48.43.005 offered, renewed, or issued by a  
6 carrier; medical assistance provided under RCW 74.09.522; the basic  
7 health plan offered under chapter 70.47 RCW; and health benefits  
8 provided under chapter 41.05 RCW.

9 NEW SECTION. **Sec. 20.** A new section is added to chapter 41.05 RCW  
10 to read as follows:

11 Each health plan that provides medical insurance offered under this  
12 chapter, including plans created by insuring entities, plans not  
13 subject to the provisions of Title 48 RCW, and plans created under RCW  
14 41.05.140, are subject to the provisions of sections 1, 2, 5 through  
15 12, 17, 18, and RCW 70.02.110 and 70.02.900.

16 **Sec. 21.** RCW 70.47.130 and 1997 c 337 s 8 are each amended to read  
17 as follows:

18 (1) The activities and operations of the Washington basic health  
19 plan under this chapter, including those of managed health care systems  
20 to the extent of their participation in the plan, are exempt from the  
21 provisions and requirements of Title 48 RCW except:

22 (a) Benefits as provided in RCW 70.47.070;

23 (b) Managed health care systems are subject to the provisions of  
24 sections 1, 2, 5 through 12, 17, 18, and RCW 70.02.110 and 70.02.900;

25 (c) Persons appointed or authorized to solicit applications for  
26 enrollment in the basic health plan, including employees of the health  
27 care authority, must comply with chapter 48.17 RCW. For purposes of  
28 this subsection (1)((~~b~~)) (c), "solicit" does not include distributing  
29 information and applications for the basic health plan and responding  
30 to questions; and

31 ((~~e~~)) (d) Amounts paid to a managed health care system by the  
32 basic health plan for participating in the basic health plan and  
33 providing health care services for nonsubsidized enrollees in the basic  
34 health plan must comply with RCW 48.14.0201.

35 (2) The purpose of the 1994 amendatory language to this section in  
36 chapter 309, Laws of 1994 is to clarify the intent of the legislature

1 that premiums paid on behalf of nonsubsidized enrollees in the basic  
2 health plan are subject to the premium and prepayment tax. The  
3 legislature does not consider this clarifying language to either raise  
4 existing taxes nor to impose a tax that did not exist previously.

5 NEW SECTION. **Sec. 22.** This act may be known and cited as the  
6 health care patient bill of rights.

7 NEW SECTION. **Sec. 23.** If specific funding for the purposes of  
8 this act, referencing this act by bill or chapter number, is not  
9 provided by June 30, 2000, in the omnibus appropriations act, this act  
10 is null and void.

11 NEW SECTION. **Sec. 24.** Captions used in this act are not any part  
12 of the law.

13 NEW SECTION. **Sec. 25.** Sections 1, 5 through 11, 13, 17, and 18 of

16 provision of this act conflicts with state or federal law, such  
17 provision must be construed in a manner most favorable to the enrollee.

18 NEW SECTION. **Sec. 27.** If any provision of this act or its  
19 application to any person or circumstance is held invalid, the  
20 remainder of the act or the application of the provision to other  
21 persons or circumstances is not affected.

22 NEW SECTION. **Sec. 28.** EFFECTIVE DATE. (1) Except as provided in  
23 subsections (2) and (3) of this section, this act applies to contracts  
24 entered into or renewing after June 30, 2001.

28 NEW SECTION. **Sec. 29.** The following acts or parts of acts are  
29 each repealed:
