2 By Representative \_\_\_\_

3 On page 65, line 30, beginning with "The legislature" strike all  
4 material through "whole." on line 31

5 On page 65, line 34, after "act." insert "If the legislature  
6 approves the submission, with or without amendment, neither party may  
7 reopen any part of the agreement except with the consent of both  
8 parties, nor may either party seek to implement the procedures provided  
9 for in section 310 of this act."

**EFFECT:** Deletes a requirement for the Legislature to act on the request for funds as a whole. Adds that if the Legislature approves the Governor's submission, with or without amendment, the parties may not reopen the agreement unless both sides agree, and may not implement mediation and fact-finding.
