4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The purpose of this act is to give the  
6 department of community, trade, and economic development the authority  
7 to issue civil penalties to enforce the provisions of permits issued  
8 under RCW 27.53.060 and to take into consideration prior penalties  
9 issued under chapter 27.53 RCW and under comparable federal laws when  
10 issuing permits. Additionally, this act provides guidance to state  
11 agencies and political subdivisions of the state when approving  
12 archaeological activities on public lands.

13 **Sec. 2.** RCW 27.53.020 and 1986 c 266 s 16 are each amended to read  
14 as follows:

15 The discovery, identification, excavation, and study of the state's  
16 archaeological resources, the providing of information on  
17 archaeological sites for their nomination to the state and national  
18 registers of historic places, the maintaining of a complete inventory

1 of archaeological sites and collections, and the providing of  
2 information to state, federal, and private construction agencies  
3 regarding the possible impact of construction activities on the state's  
4 archaeological resources, are proper public functions; and the  
5 (~~Washington archaeological research center~~) office of archaeology and  
6 historic preservation, created under the authority of chapter 39.34 RCW  
7 (~~as now existing or hereafter amended~~), is hereby designated as an  
8 appropriate agency to carry out these functions. The director, in  
9 consultation with the (~~Washington archaeological research center~~)  
10 office of archaeology and historic preservation, shall provide  
11 guidelines for the selection of depositories designated by the state  
12 for archaeological resources. The legislature directs that there shall  
13 be full cooperation amongst the department, the (~~Washington~~  
14 ~~archaeological research center~~) office of archaeology and historic

9 director may give great weight to the final record of previous civil or  
10 criminal penalties against either the applicant, the parties  
11 responsible for conducting the work, or the parties responsible for  
12 carrying out the terms and conditions of the permit, either under this  
13 chapter or under comparable federal laws. If the director denies a  
14 permit, the applicant may request a hearing as provided for in chapter
