33 **Sec. 2.** RCW 35.81.020 and 1965 c 7 s 35.81.020 are each amended to
34 read as follows:

35 It is hereby found and declared that blighted areas which
36 constitute a serious and growing menace, injurious to the public
37 health, safety, morals and welfare of the residents of the state exist
38 in municipalities of the state; that the existence of such areas

1 contributes substantially and increasingly to the spread of disease and
2 crime and depreciation of property values, constitutes an economic and
3 social liability, substantially impairs or arrests the sound growth of
4 municipalities, retards the provision of housing accommodations,
5 hinders job creation and economic growth, aggravates traffic problems
6 and substantially impairs or arrests the elimination of traffic hazards
7 and the improvement of traffic facilities; and that the prevention and
8 elimination of such areas is a matter of state policy and state concern
9 in order that the state and its municipalities shall not continue to be
10 endangered by areas which are focal centers of disease, promote
11 juvenile delinquency, are conducive to fires, are difficult to police
12 and to provide police protection for, and, while contributing little to
13 the tax income of the state and its municipalities, consume an
14 excessive proportion of its revenues because of the extra services
15 required for police, fire, accident, hospitalization and other forms of
16 public protection, services, and facilities.

17 It is further found and declared that certain of such areas, or
18 portions thereof, may require acquisition, clearance, and disposition
19 subject to use restrictions, as provided in this chapter, since the
20 prevailing condition of decay may make impracticable the reclamation of
21 the area by rehabilitation; that other areas or portions thereof may,
22 through the means provided in this chapter, be susceptible of
23 rehabilitation in such a manner that the conditions and evils
24 hereinbefore enumerated may be eliminated, remedied or prevented; and
25 that to the extent feasible salvable blighted areas should be
26 rehabilitated through voluntary action and the regulatory process.

27 It is further found and declared that there is an urgent need to
28 enhance the ability of municipalities to act effectively and
29 expeditiously to revive blighted areas and to prevent further blight
30 due to shocks to the economy of the state and their actual and
31 threatened effects on unemployment, poverty, and the availability of
32 private capital for businesses and projects in the area.

33 It is further found and declared that the powers conferred by this
34 chapter are for public uses and purposes for which public money may be
35 expended and the power of eminent domain exercised; and that the
36 necessity in the public interest for the provisions herein enacted is
37 hereby declared as a matter of legislative determination.

1 **Sec. 3.** RCW 35.81.030 and 1965 c 7 s 35.81.030 are each amended to
2 read as follows:

3 A municipality, to the greatest extent it determines to be feasible
4 in carrying out the provisions of this chapter, shall afford maximum
5 opportunity, consistent with the ((~~sound~~)) needs of the municipality as
6 a whole, to the rehabilitation or redevelopment of the ((~~urban~~))
7 community renewal area by private enterprise. A municipality shall
8 give consideration to this objective in exercising its powers under
9 this chapter, including the formulation of a workable program, the
10 approval of ((~~urban~~)) community renewal plans (consistent with the
11 comprehensive plan or parts thereof for the municipality), the exercise
12 of its zoning powers, the enforcement of other laws, codes and
13 regulations relating to the use of land and the use and occupancy of
14 buildings and improvements, the disposition of any property acquired,
15 and the provision of necessary public improvements.

16 **Sec. 4.** RCW 35.81.040 and 1965 c 7 s 35.81.040 are each amended to
17 read as follows:

18 A municipality for the purposes of this chapter may formulate a
19 workable program for ((~~utilizing~~)) using appropriate private and public
20 resources to eliminate, and prevent the development or spread of,
21 blighted areas, to encourage needed ((~~urban~~)) community rehabilitation,
22 to provide for the redevelopment of such areas, or to undertake ((~~such~~
23 ~~of~~)) the ((~~aforsaid~~)) activities, or other feasible municipal
24 activities as may be suitably employed to achieve the objectives of
25 ((~~such~~)) the workable program. ((~~Such~~)) The workable program may
26 include, without limitation, provision for: The prevention of the
27 spread of blight into areas of the municipality which are free from
28 blight through diligent enforcement of housing, zoning, and occupancy
29 controls and standards; the rehabilitation of blighted areas or
30 portions thereof by replanning, removing congestion, providing parks,
31 playgrounds and other public improvements, by encouraging voluntary
32 rehabilitation and by compelling the repair and rehabilitation of
33 deteriorated or deteriorating structures; ((~~and~~)) the replacement of
34 housing that is lost as a result of community renewal activities within
35 a community renewal area; the clearance and redevelopment of blighted
36 areas or portions thereof; and the reduction of unemployment and
37 poverty within the community renewal area by providing financial or
38 technical assistance to a person or public body that is used to create

1 or retain jobs, a substantial portion of which, as determined by the
2 municipality, shall be for persons of low income.

3 **Sec. 5.** RCW 35.81.050 and 1965 c 7 s 35.81.050 are each amended to
4 read as follows:

5 (1) No municipality shall exercise any of the powers hereafter
6 conferred upon municipalities by this chapter until after its local
7 governing body shall have adopted ((a)) an ordinance or resolution
8 finding that: ((+1)) (a) One or more blighted areas exist in such
9 municipality; and ((+2)) (b) the rehabilitation, redevelopment, or a
10 combination thereof, of such area or areas is necessary in the interest
11 of the public health, safety, morals, or welfare of the residents of
12 such municipality.

13 (2) After adoption of the ordinance or resolution making the
14 findings described in subsection (1) of this section, the local
15 governing body of the municipality may elect to have the powers of a
16 community renewal agency under this chapter exercised in one of the
17 following ways:

18 (a) By appointing a board or commission composed of not less than
19 five members, which board or commission shall include municipal
20 officials and elected officials, selected by the mayor, with approval
21 of the local governing body of the municipality; or

22 (b) By the local governing body of the municipality directly; or

23 (c) By the board of a public corporation, commission, or authority
24 under chapter 35.21 RCW, or a public facilities district created under
25 chapter 35.57 or 36.100 RCW, or a public port district created under
26 chapter 53.04 RCW, or a housing authority created under chapter 35.82
27 RCW, that is authorized to conduct activities as a community renewal
28 agency under this chapter.

29 **Sec. 6.** RCW 35.81.060 and 1965 c 7 s 35.81.060 are each amended to
30 read as follows:

31 (1) A municipality shall not approve ((an urban)) a community
32 renewal project for ((an urban)) a community renewal area unless the
33 local governing body has, by ordinance or resolution, determined such
34 an area to be a blighted area and designated ((such)) the area as
35 appropriate for ((an urban)) a community renewal project. The local
36 governing body shall not approve ((an urban)) a community renewal plan
37 until a comprehensive plan or parts of ((such)) the plan for an area

1 which would include ~~((an urban))~~ a community renewal area for the
2 municipality have been prepared as provided in chapter ~~((35.63 RCW.~~
3 ~~For this purpose and other municipal purposes, authority is hereby~~
4 ~~vested in every municipality to prepare, to adopt, and to revise from~~
5 ~~time to time, a comprehensive plan or parts thereof for the physical~~
6 ~~development of the municipality as a whole (giving due regard to the~~
7 ~~environs and metropolitan surroundings), to establish and maintain a~~
8 ~~planning commission for such purpose and related municipal planning~~
9 ~~activities, and to make available and to appropriate necessary funds~~
10 ~~therefor))~~ 36.70A RCW. For municipalities not subject to the planning
11 requirements of chapter 36.70A RCW, any proposed comprehensive plan
12 must be consistent with a local comprehensive plan adopted under
13 chapter 35.63 or 36.70 RCW, or any other applicable law. A
14 municipality shall not acquire real property for ~~((an urban))~~ a
15 community renewal project unless the local governing body has approved
16 the ~~((urban))~~ community renewal project plan in accordance with
17 subsection (4) ~~((hereof))~~ of this section.

18 (2) The municipality may itself prepare or cause to be prepared
19 ~~((an urban))~~ a community renewal plan, or any person or agency, public
20 or private, may submit such a plan to the municipality. Prior to its
21 approval of ~~((an urban))~~ a community renewal project, the local
22 governing body shall ~~((submit such plan to the planning commission of~~
23 ~~the municipality for review and recommendations as to its conformity))~~
24 review and determine the conformity of the community renewal plan with
25 the comprehensive plan or parts thereof for the development of the
26 municipality as a whole. ((The planning commission shall submit its
27 written recommendations with respect to the proposed urban renewal plan
28 to the local governing body within sixty days after receipt of it.
29 Upon receipt of the recommendations of the planning commission, or if
30 no recommendations are received within sixty days, then without such
31 recommendations, the local governing body may proceed with the hearing
32 on the proposed urban renewal project plan prescribed by subsection (3)
33 hereof)) If the community renewal plan is not consistent with the
34 existing comprehensive plan, the local governing body may amend its
35 comprehensive plan or community renewal plan.

36 (3) Prior to adoption, the local governing body shall hold a public
37 hearing on ((an urban)) a community renewal plan after providing public
38 notice ((thereof)). ((Such)) The notice shall be given by publication
39 once each week for two consecutive weeks not less than ten nor more

1 than thirty days prior to the date of the hearing in a newspaper having
2 a general circulation in the ((urban)) community renewal area of the
3 municipality and by mailing a notice of ((such)) the hearing not less
4 than ten days prior to the date of the hearing to the persons whose
5 names appear on the county treasurer's tax roll as the owner or reputed
6 owner of the property, at the address shown on the tax roll. The
7 notice shall describe the time, date, place, and purpose of the
8 hearing, shall generally identify the ((urban)) community renewal area
9 affected, and shall outline the general scope of the ((urban))
10 community renewal plan under consideration.

11 (4) Following ((such)) the hearing, the local governing body may
12 approve ((an urban)) a community renewal project if it finds that (a)
13 a ((workable and)) feasible plan exists for making available adequate
14 housing for the ((persons)) residents who may be displaced by the
15 project; (b) the ((urban)) community renewal plan conforms to the
16 comprehensive plan ((or parts thereof)) for the municipality ((as a
17 whole)); (c) the ((urban)) community renewal plan will afford maximum
18 opportunity, consistent with the ((sound)) needs of the municipality
19 ((as a whole)), for the rehabilitation or redevelopment of the
20 ((urban)) community renewal area by private enterprise; ((and)) (d) a
21 sound and adequate financial program exists for the financing of
22 ((said)) the project; and (e) the ((urban)) community renewal project
23 area is a blighted area as defined in RCW 35.81.010(2) (as recodified
24 by this act).

25 (5) ((An urban)) A community renewal project plan may be modified
26 at any time by the local governing body((: PROVIDED, That)). However,
27 if modified after the lease or sale by the municipality of real
28 property in the ((urban)) community renewal project area, ((such)) the
29 modification shall be subject to ((such)) the rights at law or in
30 equity as a lessee or purchaser, or ((his)) the successor or successors
31 in interest may be entitled to assert.

32 (6) ((Upon the approval of an urban renewal project by a
33 municipality, the provisions of the urban renewal plan with respect to
34 the future use and building requirements applicable to the property
35 covered by said plan shall be controlling with respect thereto)) Unless
36 otherwise expressly stated in an ordinance or resolution of the
37 governing body of the municipality, a community renewal plan shall not
38 be considered a subarea plan or part of a comprehensive plan for
39 purposes of chapter 36.70A RCW. However, a municipality that has

1 adopted a comprehensive plan under chapter 36.70A RCW may adopt all or
2 part of a community renewal plan at any time as a new or amended
3 subarea plan, whether or not any subarea plan has previously been
4 adopted for all or part of the community renewal area. Any community
5 renewal plan so adopted, unless otherwise determined by the growth
6 management hearings board with jurisdiction under a timely appeal in
7 RCW 36.70A.280, shall be conclusively presumed to comply with the
8 requirements in this chapter for consistency with the comprehensive
9 plan.

16 community renewal plan.

17 (6) Within the municipality, to enter upon any building or property
18 in any ((urban)) community renewal area, in order to make surveys and
19 appraisals, provided that such entries shall be made in such a manner
20 as to cause the least possible inconvenience to the persons in
21 possession, and to obtain an order for this purpose from a court of
22 competent jurisdiction in the event entry is denied or resisted; to
23 acquire by purchase, lease, option, gift, grant, bequest, devise,
24 eminent domain, or otherwise, any real property and such personal

26 herein contained, together with any improvements thereon; to hold,
27 improve, clear, or prepare for redevelopment any such property; to
28 dispose of any real property; to insure or provide for the insurance of
29 any real or personal property or operations of the municipality against
30 any risks or hazards, including the power to pay premiums on any such
31 insurance: PROVIDED, That no statutory provision with respect to the
32 acquisition, clearance, or disposition of property by public bodies
33 shall restrict a municipality in the exercise of such functions with
34 respect to ((an urban)) a community renewal project.

35 ((+4)) (7) To invest any ((urban)) community renewal project funds
36 held in reserves or sinking funds or any such funds which are not
37 required for immediate disbursement, in property or securities in which
38 mutual savings banks may legally invest funds subject to their control;
39 to redeem such bonds as have been issued pursuant to RCW 35.81.100 at

1 the redemption price established therein or to purchase such bonds at
2 less than redemption price, all such bonds so redeemed or purchased to
3 be canceled.

4 ~~((+5+))~~ (8) To borrow money and to apply for, and accept, advances,
5 loans, grants, contributions and any other form of financial assistance
6 from the federal government, the state, county, or other public body,
7 or from any sources, public or private, for the purposes of this
8 chapter, and to enter into and carry out contracts in connection
9 therewith. A municipality may include in any application or contract
10 for financial assistance with the federal government for ~~((an urban))~~
11 a community renewal project such conditions imposed pursuant to federal
12 laws as the municipality may deem reasonable and appropriate and which
13 are not inconsistent with the purposes of this chapter.

14 ~~((+6+))~~ (9) Within the municipality, to make or have made all plans
15 necessary to the carrying out of the purposes of this chapter and to
16 contract with any person, public or private, in making and carrying out

18 plans may include, without limitation: (a) A comprehensive plan or
19 parts thereof for the locality as a whole, (b) ~~((urban))~~ community
20 renewal plans, (c) plans for carrying out a program of voluntary or
21 compulsory repair and rehabilitation of buildings and improvements, (d)
22 plans for the enforcement of state and local laws, codes, and
23 regulations relating to the use of land and the use and occupancy of
24 buildings and improvements and to the compulsory repair,

26 ~~((and))~~ (e) appraisals, title searches, surveys, studies, and other
27 preliminary plans and work necessary to prepare for the undertaking of
28 ~~((urban))~~ community renewal projects, and (f) plans to provide
29 financial or technical assistance to a person or public body for the
30 purpose of creating or retaining jobs, a substantial portion of which,
31 as determined by the municipality, shall be for persons of low income.
32 The municipality is authorized to develop, test, and report methods and
33 techniques, and carry out demonstrations and other activities, for the
34 prevention and the elimination of ~~((urban))~~ blight, for job creation or
35 retention activities, and to apply for, accept, and utilize grants of,
36 funds from the federal government for such purposes.

37 ~~((+7+))~~ (10) To prepare plans for the relocation of families
38 displaced from ~~((an urban))~~ a community renewal area, and to coordinate
39 public and private agencies in such relocation, including requesting

1 such assistance for this purpose as is available from other private and
2 governmental agencies, both for the municipality and other parties.

3 ~~((+8))~~ (11) To appropriate such funds and make such expenditures
4 as may be necessary to carry out the purposes of this chapter, and in
5 accordance with state law: (a) Levy taxes and assessments for such
6 purposes; (b) acquire land either by negotiation ~~((and/or))~~ or eminent
7 domain, or both; (c) close, vacate, plan, or replan streets, roads,
8 sidewalks, ways, or other places; (d) plan or replan, zone or rezone
9 any part of the municipality; (e) adopt annual budgets for the

14 action to be taken by such municipality pursuant to any of the powers
15 granted by this chapter.

16 ~~((+9))~~ (12) Within the municipality, to organize, coordinate, and
17 direct the administration of the provisions of this chapter as they
18 apply to such municipality in order that the objective of remedying
19 blighted areas and preventing the causes thereof within such
20 municipality may be most effectively promoted and achieved, and to
21 establish such new office or offices of the municipality or to
22 reorganize existing offices in order to carry out such purpose most
23 effectively.

24 ~~((+10))~~ (13) To contract with a person or public body to assist in
25 carrying out the purposes of this chapter.

26 (14) To exercise all or any part or combination of powers herein
27 granted.

28 **Sec. 8.** RCW 35.81.080 and 1965 c 7 s 35.81.080 are each amended to
29 read as follows:

30 A municipality shall have the right to acquire by condemnation, in
31 accordance with the procedure provided for condemnation by such
32 municipality for other purposes, any interest in real property, which
33 it may deem necessary for ~~((an-urban))~~ a community renewal project
34 under this chapter after the adoption by the local governing body of a
35 resolution declaring that the acquisition of the real property
36 described therein is necessary for such purpose. Condemnation for
37 ~~((urban))~~ community renewal of blighted areas is declared to be a
38 public use, and property already devoted to any other public use or

1 acquired by the owner or ((his)) a predecessor in interest by eminent
2 domain may be condemned for the purposes of this chapter.

3 The award of compensation for real property taken for such a
4 project shall not be increased by reason of any increase in the value
5 of the real property caused by the assembly, clearance, or
6 reconstruction, or proposed assembly, clearance, or reconstruction in
7 the project area. No allowance shall be made for the improvements
8 begun on real property after notice to the owner of such property of
9 the institution of proceedings to condemn such property. Evidence
10 shall be admissible bearing upon the insanitary, unsafe, or substandard
11 condition of the premises, or the unlawful use thereof.

12 **Sec. 9.** RCW 35.81.090 and 1965 c 7 s 35.81.090 are each amended to
13 read as follows:

14 (1) A municipality, with approval of its legislative authority, may
15 acquire real property, or any interest therein, for the purposes of a
16 community renewal project (a) prior to the selection of one or more
17 persons interested in undertaking to redevelop or rehabilitate the real
18 property, or (b) after the selection of one or more persons interested
19 in undertaking to redevelop or rehabilitate such real property. In
20 either case the municipality may select a redeveloper through a
21 competitive bidding process consistent with this section or through a
22 process consistent with section 10 of this act.

23 (2) A municipality, with approval of its legislative authority, may
24 sell, lease, or otherwise transfer real property or any interest
25 therein acquired by it for ((an urban)) a community renewal project, in
26 ((an urban)) a community renewal area for residential, recreational,
27 commercial, industrial, or other uses or for public use, and may enter
28 into contracts with respect thereto, or may retain such a property or
29 interest only for parks and recreation, education, public utilities,
30 public transportation, public safety, health, highways, streets, and
31 alleys, administrative buildings, or civic centers, in accordance with
32 the ((urban)) community renewal project plan, subject to such
33 covenants, conditions, and restrictions, including covenants running
34 with the land, as it may deem to be necessary or desirable to assist in
35 preventing the development or spread of blighted areas or otherwise to
36 carry out the purposes of this chapter((:—PROVIDED, That)). However,
37 such a sale, lease, other transfer, or retention, and any agreement
38 relating thereto, may be made only after the approval of the ((urban))

1 community renewal plan by the local governing body. The purchasers or
2 lessees and their successors and assigns shall be obligated to devote
3 ~~((such))~~ the real property only to the uses specified in the ((urban))
4 community renewal plan, and may be obligated to comply with ~~((such))~~
5 any other requirements as the municipality may determine to be in the
6 public interest, including the obligation to begin and complete, within
7 a reasonable time, any improvements on ~~((such))~~ the real property
8 required by the ((urban)) community renewal plan or promised by the
9 transferee. ~~((Such))~~ The real property or interest shall be sold,
10 leased, or otherwise transferred~~((, or retained at not less than its~~
11 ~~fair value for uses in accordance with the urban renewal plan))~~ for the
12 consideration the municipality determines adequate. In determining the
13 ~~((fair value of real property for uses in accordance with the urban~~
14 ~~renewal plan))~~ adequacy of consideration, a municipality ~~((shall))~~ may
15 take into account~~((, and give consideration to,))~~ the uses ~~((provided~~
16 ~~in such))~~ permitted under the community renewal plan; the restrictions
17 upon, and the covenants, conditions, and obligations assumed by, the
18 ~~((purchaser or lessee or by the municipality retaining the property))~~
19 transferee; and the public benefits to be realized, including
20 furthering of the objectives of ((such)) the plan for the prevention of
21 the recurrence of blighted areas.

22 (3) The municipality in any instrument of conveyance to a private
23 purchaser or lessee may provide that ~~((such))~~ the purchaser or lessee
24 shall be without power to sell, lease, or otherwise transfer the real
25 property, or to permit changes in ownership or control of a purchaser
26 or lessee that is not a natural person, in each case without the prior
27 written consent of the municipality until ((he)) the purchaser or
28 lessee has completed the construction of ((any and)) all improvements
29 ~~((which he))~~ that it has obligated ((himself)) itself to construct
30 thereon. The municipality may also retain the right, upon any earlier
31 transfer or change in ownership or control without consent; or any
32 failure or change in ownership or control without consent; or any
33 failure to complete the improvements within the time agreed to
34 terminate the transferee's interest in the property; or to retain or
35 collect on any deposit or instrument provided as security, or both.
36 The enforcement of these restrictions and remedies is declared to be
37 consistent with the public policy of this state. Real property
38 acquired by a municipality ((which)) that, in accordance with the
39 provisions of the ((urban)) community renewal plan, is to be

1 transferred, shall be transferred as rapidly as feasible, in the public
2 interest, consistent with the carrying out of the provisions of the
3 ~~((urban))~~ community renewal plan. The inclusion in any ~~((such))~~
4 contract or conveyance to a purchaser or lessee of any ~~((such))~~
5 covenants, restrictions, or conditions (including the incorporation by
6 reference therein of the provisions of ~~((an urban))~~ a community renewal
7 plan or any part thereof) shall not prevent the recording of such a
8 contract or conveyance in the land records of the auditor or the county
9 in which ~~((such))~~ the city or town is located, in ~~((such))~~ a manner
10 ~~((as to))~~ that affords actual or constructive notice thereof.

11 ~~((+2))~~ (4)(a)(i) A municipality may dispose of real property in
12 ~~((an urban))~~ a community renewal area, acquired by the municipality
13 under this chapter, to any private persons only under ~~((such))~~ those
14 reasonable competitive bidding procedures as it shall prescribe, or by
15 competitive bidding as ~~((hereinafter))~~ provided in this subsection,
16 through direct negotiation where authorized under (c) of this
17 subsection, or by a process authorized in section 10 of this act.

18 (ii) A competitive bidding process may occur (A) prior to the
19 purchase of the real property by the municipality, or (B) after the
20 purchase of the real property by the municipality.

21 (b)(i) A municipality may, by public notice by publication once
22 each week for three consecutive weeks in a newspaper having a general
23 circulation in the community, prior to the execution of any contract or
24 deed to sell, lease, or otherwise transfer real property and prior to
25 the delivery of any instrument of conveyance with respect thereto under
26 the provisions of this section, invite bids from, and make available
27 all pertinent information to, private redevelopers or any persons
28 interested in undertaking to redevelop or rehabilitate ~~((an urban))~~ a
29 community renewal area, or any part thereof. ~~((Such))~~ This notice
30 shall identify the area, or portion thereof, and shall state that
31 ~~((such))~~ further information as is available may be obtained at
32 ~~((such))~~ the office as shall be designated in ~~((said))~~ the notice.

33 (ii) The municipality shall consider all responsive redevelopment
34 or rehabilitation bids and the financial and legal ability of the
35 persons making ~~((such))~~ the bids to carry them out. The municipality
36 may accept ~~((such))~~ the bids as it deems to be in the public interest
37 and in furtherance of the purposes of this chapter. Thereafter, the
38 municipality may execute, in accordance with the provisions of

1 subsection ~~((1))~~ (2) of this section, and deliver contracts, deeds,
2 leases, and other instruments of transfer.

3 ~~((3))~~ (c) If the legislative authority of the municipality
4 determines that the sale of real property to a specific person is
5 necessary to the success of a neighborhood revitalization or community
6 renewal project for which the municipality is providing assistance to
7 a nonprofit organization from federal community development block grant
8 funds under 42 U.S.C. Sec. 5305(a)(15), or successor provision, under
9 a plan or grant application approved by the United States department of
10 housing and urban development, or successor agency, then the
11 municipality may sell or lease that property to that person through
12 direct negotiation, for consideration determined by the municipality to
13 be adequate consistent with subsection (2) of this section. This
14 direct negotiation may occur, and the municipality may enter into an
15 agreement for sale or lease, either before or after the acquisition of
16 the property by the municipality. Unless the municipality has provided
17 notice to the public of the intent to sell or lease the property by
18 direct negotiation, as part of a citizen participation process adopted
19 under federal regulations for the plan or grant application under which
20 the federal community development block grant funds have been awarded,
21 the municipality shall publish notice of the sale at least fifteen days
22 prior to the conveyance of the property.

23 (5) A municipality may operate and maintain real property acquired
24 in ~~(an urban))~~ a community renewal area for a period of three years
25 pending the disposition of the property for redevelopment, without
26 regard to the provisions of subsection ~~((1) above)~~ (2) of this
27 section, for such uses and purposes as may be deemed desirable even
28 though not in conformity with the ~~(urban))~~ community renewal plan~~((÷~~
29 PROVIDED, That)). However, the municipality may, after a public
30 hearing, extend the time for a period not to exceed three years.

31 (6) Any covenants, restrictions, promises, undertakings, releases,
32 or waivers in favor of a municipality contained in any deed or other
33 instrument accepted by any transferee of property from the municipality
34 or community renewal agency under this chapter, or contained in any
35 document executed by any owner of property in a community renewal area,
36 shall run with the land to the extent provided in the deed, instrument,
37 or other document, so as to bind, and be enforceable by the
38 municipality against, the person accepting or making the deed,

1 instrument, or other document and that person's heirs, successors in
2 interest, or assigns having actual or constructive notice thereof.

3 NEW SECTION. **Sec. 10.** A new section is added to chapter 35.81 RCW
4 to read as follows:

5 (1) The process authorized under this section may occur (a) prior
6 to the purchase of the real property by the municipality, or (b) after
7 the purchase of the real property by the municipality.

8 (2) A municipality may, by public notice once each week for three
9 consecutive weeks in a legal newspaper in the municipality, or prior to
10 the execution of any contract or deed to sell, lease, or otherwise
11 transfer real property and prior to the delivery of any instrument of
12 conveyance with respect thereto under the provisions of this section,
13 invite statements of interest and qualifications and, at the
14 municipality's option, proposals from any persons interested in
15 undertaking to redevelop or rehabilitate the real property.

16 (3) The notice required under this section shall identify the area,
17 or portion thereof, the process the municipality will use to evaluate
18 qualifications and, if applicable, proposals submitted by redevelopers
19 or any persons, and other information relevant to the community renewal
20 project. The notice shall also state that further information, as is
21 available, may be obtained at the offices designated in the notice.

22 (4)(a) Based on its evaluation of qualifications and, if
23 applicable, proposals, the municipality may select a proposer with whom
24 to negotiate or may select two or more finalists to submit proposals,
25 or to submit more detailed or revised proposals. The municipality may,
26 in its sole discretion, reject all responses or proposals, amend any
27 solicitation to allow modification or supplementation of qualifications
28 or proposals, or waive irregularities in the content or timing of any
29 qualifications or proposals.

30 (b) The municipality may initiate negotiations with the person
31 selected on the basis of qualifications or proposals. If the
32 municipality does not enter into a contract with that person, it may
33 (i) enter into negotiations with the person that submitted the next
34 highest ranked qualifications or proposal, (ii) solicit additional
35 proposals using a process permitted by RCW 35.81.090, or (iii)
36 otherwise dispose of or retain the real property consistent with the
37 provisions of this chapter. A municipality shall not be required to
38 select or enter into a contract with any proposer or to compensate any

1 proposer for the cost of preparing a proposal or negotiating with the
2 municipality.

3 (c) A municipality, with approval of its legislative authority, may
4 select and enter into a contract with more than one proposer to carry
5 out different aspects or parts of a community renewal plan.

6 **Sec. 11.** RCW 35.81.100 and 1983 c 167 s 64 are each amended to
7 read as follows:

8 (1) A municipality shall have the power to issue bonds from time to
9 time in its discretion to finance the undertaking of any ((urban))
10 community renewal project under this chapter, including, without
11 limiting the generality ((thereof)) of this power, the payment of
12 principal and interest upon any advances for surveys and plans for
13 ((urban)) community renewal projects, and shall also have power to
14 issue refunding bonds for the payment or retirement of such bonds
15 previously issued by it. Such bonds shall not pledge the general
16 credit of the municipality and shall be made payable, as to both
17 principal and interest, solely from the income, proceeds, revenues, and
18 funds of the municipality derived from, or held in connection with, its
19 undertaking and carrying out of ((urban)) community renewal projects
20 under this chapter(~~(:—PROVIDED, That)~~). However, the payment of such
21 bonds, both as to principal and interest, may be further secured by a
22 pledge of any loan, grant, or contribution from the municipality, the
23 federal government, or from other sources, in aid of any ((urban))
24 community renewal projects of the municipality under this chapter.

25 (2) Bonds issued under this section shall not constitute an
26 indebtedness within the meaning of any constitutional or statutory debt
27 limitation or restriction, and shall not be subject to the provisions
28 of any other law or charter relating to the authorization, issuance, or
29 sale of bonds. Bonds issued under the provisions of this chapter are
30 declared to be issued for an essential public and governmental purpose,
31 and together with interest thereon and income therefrom, shall be
32 exempted from all taxes.

33 (3) Bonds issued under this section shall be authorized by
34 resolution or ordinance of the local governing body and may be issued
35 in one or more series and shall bear such date or dates, be payable
36 upon demand or mature at such time or times, bear interest at such rate
37 or rates, be in such denomination or denominations, be in such form
38 either coupon or registered as provided in RCW 39.46.030, carry such

1 conversion or registration privileges, have such rank or priority, be
2 executed in such manner, be payable in such medium of payment, at such
3 place or places, and be subject to such terms of redemption (with or
4 without premium), be secured in such manner, and have such other
5 characteristics, as may be provided by such resolution or trust
6 indenture or mortgage issued pursuant thereto.

7 (4) Such bonds may be sold at not less than ninety-eight percent of
8 par at public or private sale, or may be exchanged for other bonds on
9 the basis of par: PROVIDED, That such bonds may be sold to the federal
10 government at private sale at not less than par and, in the event less
11 than all of the authorized principal amount of such bonds is sold to
12 the federal government, the balance may be sold at public or private
13 sale at not less than ninety-eight percent of par at an interest cost
14 to the municipality of not to exceed the interest cost to the
15 municipality of the portion of the bonds sold to the federal
16 government.

17 (5)(a) The municipality may annually pay into a fund to be
18 established for the benefit of such bonds any and all excess of the
19 taxes received by it from the same property over and above the average
20 of the annual taxes authorized without vote for a five-year period
21 immediately preceding the acquisition of the property by the
22 municipality for renewal purposes, such payment to continue until such
23 time as all bonds payable from the fund are paid in full. Any other
24 taxing unit (~~((in a municipality))~~) that receives property tax revenues
25 from property in the community renewal area is authorized to allocate
26 ((a like amount of such)) excess taxes, computed in the same manner, to
27 the municipality or municipalities in which it is situated.

28 (b) In addition to the excess property tax revenues from property
29 in the community renewal area, authorized in this subsection, the
30 municipality may annually pay into the fund, established in this
31 subsection, any and all excess of the excise tax received by it from
32 business activity in the community renewal area over and above the
33 average of the annual excise tax collected for a five-year period
34 immediately preceding the establishment of a community renewal area.
35 The payment may continue until all the bonds payable from the fund are
36 paid in full. Any other taxing unit that receives excise tax from
37 business activity in the community renewal area is authorized to
38 allocate excess excise tax, computed in the same manner, to the
39 municipality or municipalities in which it is situated. As used in

1 this subsection, "excise tax" means a local retail sales and use tax
2 authorized in chapter 82.14 RCW. The legislature declares that it is
3 a proper purpose of a municipality to allocate an excise tax for
4 purposes of a community renewal project under this chapter.

5 (6) In case any of the public officials of the municipality whose
6 signatures appear on any bonds or any coupons issued under this chapter
7 shall cease to be such officials before the delivery of such bonds,
8 such signatures shall, nevertheless, be valid and sufficient for all
9 purposes, the same as if such officials had remained in office until
10 such delivery. Any provision of any law to the contrary
11 notwithstanding, any bonds, issued pursuant to this chapter shall be
12 fully negotiable.

13 (7) In any suit, action, or proceeding involving the validity or
14 enforceability of any bond issued under this chapter or the security
15 therefor, any such bond reciting in substance that it has been issued
16 by the municipality in connection with ~~((an urban))~~ a community renewal
17 project, as herein defined, shall be conclusively deemed to have been
18 issued for such purpose and such project shall be conclusively deemed
19 to have been planned, located, and carried out in accordance with the
20 provisions of this chapter.

21 (8) Notwithstanding subsections (1) through (7) of this section,
22 such bonds may be issued and sold in accordance with chapter 39.46 RCW.

23 **Sec. 12.** RCW 35.81.110 and 1965 c 7 s 35.81.110 are each amended
24 to read as follows:

25 All banks, trust companies, bankers, savings banks and
26 institutions, building and loan associations, savings and loan
27 associations, investment companies, and other persons carrying on a
28 banking or investment business, all insurance companies, insurance
29 associations, and other persons carrying on an insurance business and
30 all executors, administrators, curators, trustees, and other
31 fiduciaries, may legally invest any sinking funds, moneys, or other
32 funds belonging to them or within their control in any bonds or other
33 obligations issued by a municipality ~~((pursuant to))~~ under this
34 chapter ~~((: PROVIDED, That such bonds and other obligations shall be~~
35 ~~secured by an agreement between the issuer and the federal government~~
36 ~~in which the issuer agrees to borrow from the federal government and~~
37 ~~the federal government agrees to lend to the issuer, prior to the~~
38 ~~maturity of such bonds or other obligations, moneys in an amount which~~

1 ~~(together with any other moneys irrevocably committed to the payment of~~
2 ~~interest on such bonds or other obligations) will suffice to pay the~~
3 ~~principal of such bonds or other obligations with interest to maturity~~
4 ~~thereon, which moneys under the terms of said agreement are required to~~
5 ~~be used for the purpose of paying the principal of, and the interest~~
6 ~~on, such bonds or other obligations at their maturity)).~~ Such bonds
7 and other obligations shall be authorized security for all public
8 deposits. It is the purpose of this section to authorize any persons,
9 political subdivisions, and officers, public or private, to use any
10 funds owned or controlled by them for the purchase of any such bonds or
11 other obligations. Nothing contained in this section with regard to
12 legal investments shall be construed as relieving any person of any
13 duty of exercising reasonable care in selecting securities.

14 NEW SECTION. Sec. 13. A new section is added to chapter 35.81 RCW
15 to read as follows:

16 (1) A community renewal agency may establish local improvement
17 districts within the community renewal area, and levy special
18 assessments, in annual installments extending over a period not
19 exceeding twenty years on all property specially benefited by the local
20 improvement, on the basis of special benefits, to pay in whole or in
21 part the damages or costs of the local improvement, and issue local
22 improvement bonds to be paid from local improvement assessments. The
23 formation of the local improvement districts, the determination, levy,
24 and collection of such assessments, and the issuance of such bonds
25 shall be as provided for the formation of local improvement districts,
26 the determination, levy, and collection of local improvement
27 assessments, and the issuance of local improvement bonds by cities and
28 towns, insofar as consistent with this chapter. These bonds may be in
29 any form, including bearer bonds or registered bonds as provided in RCW
30 39.46.030.

31 (2) Notwithstanding subsection (1) of this section, the bonds
32 authorized under subsection (1) of this section may be issued and sold
33 in accordance with chapter 39.46 RCW.

34 NEW SECTION. Sec. 14. A new section is added to chapter 35.81 RCW
35 to read as follows:

36 Any notice given to the public or to the owners of specific lots,
37 tracts, or parcels of land relating to the formation of a local

1 improvement district created under section 13 of this act shall contain
2 a statement that actual assessments may vary from assessment estimates
3 so long as they do not exceed a figure equal to the increased benefit
4 the improvement adds to the property.

5 **Sec. 15.** RCW 35.81.120 and 1965 c 7 s 35.81.120 are each amended
6 to read as follows:

7 (1) All property of a municipality, including funds, owned or held
8 by it for the purposes of this chapter, shall be exempt from levy and
9 sale by virtue of an execution, and no execution or other judicial
10 process shall issue against the same nor shall judgment against a
