REGIONAL CITIZEN'S ADVISORY COMMITTEES MODEL TOXICS CONTROL ACT

- 9 **Sec. 401.** RCW 70.105D.030 and 1997 c 406 s 3 are each amended to 10 read as follows:
- 11 (1) The department may exercise the following powers in addition to 12 any other powers granted by law:
- 13 (a) Investigate, provide for investigating, or require potentially 14 liable persons to investigate any releases or threatened releases of 15 hazardous substances, including but not limited to inspecting, 16 sampling, or testing to determine the nature or extent of any release 17 or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the 18 department's authorized employees, agents, or contractors may enter 19 upon any property and conduct investigations. The department shall 20 21 give reasonable notice before entering property unless an emergency 22 prevents such notice. The department may by subpoena require the 23 attendance or testimony of witnesses and the production of documents or 24 other information that the department deems necessary;
 - (b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

p. 3 SSB 5401.SL

- 1 (c) Indemnify contractors retained by the department for carrying 2 out investigations and remedial actions, but not for any contractor's 3 reckless or wilful misconduct;
- 4 (d) Carry out all state programs authorized under the federal 5 cleanup law and the federal resource, conservation, and recovery act, 6 42 U.S.C. Sec. 6901 et seq., as amended;
- 7 (e) Classify substances as hazardous substances for purposes of RCW 8 70.105D.020(7) and classify substances and products as hazardous 9 substances for purposes of RCW 82.21.020(1);
- 10 (f) Issue orders or enter into consent decrees or agreed orders that include, or issue written opinions under (i) of this subsection 11 that may be conditioned upon, deed restrictions where necessary to 12 13 protect human health and the environment from a release or threatened release of a hazardous substance from a facility. 14 15 establishing a deed restriction under this subsection, the department 16 shall notify and seek comment from a city or county department with 17 land use planning authority for real property subject to a deed restriction; 18
- 19 (g) Enforce the application of permanent and effective 20 institutional controls that are necessary for a remedial action to be 21 protective of human health and the environment;
- (h) Require holders to conduct remedial actions necessary to abate an imminent or substantial endangerment pursuant to RCW 70.105D.020(12)(b)(ii)(C);
- 25 (i) Provide informal advice and assistance to persons regarding the 26 administrative and technical requirements of this chapter. 27 include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or 28 assistance shall be advisory only, and shall not be binding on the 29 30 department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written 31 opinions regarding whether the independent remedial actions 32 proposals for those actions meet the substantive requirements of this 33 chapter or whether the department believes further remedial action is 34 35 necessary at the facility. The department may collect, from persons requesting advice and assistance, the costs incurred by the department 36 37 in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an 38 39 appropriate level of technical assistance in support of public

- participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and
- 5 (j) Take any other actions necessary to carry out the provisions of 6 this chapter, including the power to adopt rules under chapter 34.05 7 RCW.
- 8 (2) The department shall immediately implement all provisions of 9 this chapter to the maximum extent practicable, including investigative 10 and remedial actions where appropriate. The department shall adopt, 11 and thereafter enforce, rules under chapter 34.05 RCW to:
- (a) Provide for public participation, including at least (i) ((the establishment of regional citizen's advisory committees, (ii))) public notice of the development of investigative plans or remedial plans for releases or threatened releases((7)) and (((iii))) (ii) concurrent public notice of all compliance orders, agreed orders, enforcement orders, or notices of violation;

- (b) Establish a hazard ranking system for hazardous waste sites;
- (c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;
 - (d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remedying releases or threatened releases at the site;
- (e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and
- 36 (f) Apply industrial clean-up standards at industrial properties.
 37 Rules adopted under this subsection shall ensure that industrial
 38 properties cleaned up to industrial standards cannot be converted to
 39 nonindustrial uses without approval from the department. The

- department may require that a property cleaned up to industrial 1 2 standards is cleaned up to a more stringent applicable standard as a 3 condition of conversion to a nonindustrial use. Industrial clean-up 4 standards may not be applied to industrial properties where hazardous 5 substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial 6 7 areas.
- 8 (3) Before November 1st of each even-numbered year, the department 9 shall develop, with public notice and hearing, and submit to the ways 10 and means and appropriate standing environmental committees of the senate and house of representatives a ranked list of projects and 11 expenditures recommended for appropriation from both the state and 12 13 local toxics control accounts. The department shall also provide the 14 legislature and the public each year with an accounting of the 15 department's activities supported by appropriations from the state 16 toxics control account, including a list of known hazardous waste sites 17 and their hazard rankings, actions taken and planned at each site, how the department is meeting its top two management priorities under RCW 18 19 70.105.150, and all funds expended under this chapter.
- (4) The department shall establish a scientific advisory board to render advice to the department with respect to the hazard ranking system, cleanup standards, remedial actions, deadlines for remedial 22 actions, monitoring, the classification of substances as hazardous 23 24 substances for purposes of RCW 70.105D.020(7) and the classification of substances or products as hazardous substances for purposes of RCW 26 82.21.020(1). The board shall consist of five independent members to 27 serve staggered three-year terms. No members may be employees of the 28 Members shall be reimbursed for travel expenses as department. provided in RCW 43.03.050 and 43.03.060. 29
- 30 (5) The department shall establish a program to identify potential 31 hazardous waste sites and to encourage persons to provide information 32 about hazardous waste sites.
