ENGROSSED SUBSTITUTE SENATE BILL 5017

Passed Legislature - 2001 Regular Session

State of Washington 57th Legislature 2001 Regular Session

By Senate Committee on Judiciary (originally sponsored by Senators Franklin, Winsley and Regala)

READ FIRST TIME 02/07/01.

1 AN ACT Relating to precursor drugs; amending RCW 69.43.010,
2 69.43.020, 69.43.040, and 69.43.090; adding new sections to chapter
3 69.43 RCW; creating a new section; and prescribing penalties.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** Communities all over the state of Washington
6 have experienced an increase in the illegal manufacture of
7 methamphetamine. Illegal methamphetamine labs create a significant
8 threat to the health and safety of the people of the state. Some of
9 the chemicals and compounds used to make methamphetamine, and the toxic
10 wastes the process generates, are hazards to the public health.
11 Increases in crime, violence, and the abuse and neglect of children
12 present at laboratory sites are also associated with the increasing
13 number of illegal laboratory sites. The drugs ephedrine,
14 pseudoephedrine, and phenylpropanolamine, which are used in the illegal
15 manufacture of methamphetamine, have been identified as factors in the
16 increase in the number of illegal methamphetamine labs. Therefore, it
17 is the intent of the legislature to place restrictions on the sale and
18 possession of those three drugs in order to reduce the proliferation of

1 illegal methamphetamine laboratories and the associated threats to
2 public health and safety.

3 **Sec. 2.** RCW 69.43.010 and 1998 c 245 s 107 are each amended to
4 read as follows:

36 In determining whether to add or remove a substance, the board shall
37 consider the following:

1 (a) The likelihood that the substance is useable as a precursor in
2 the illegal production of a controlled substance as defined in chapter
3 69.50 RCW;

35 (4) (~~Beginning on July 1, 1988,~~) Any manufacturer, wholesaler,

37 the substance specified in subsection (1) of this section to ((a)) any

39 delivery of the substance, submit a report of the transaction, which

1 includes the identification information specified in subsection (3) of
2 this section to the state board of pharmacy. However, the state board
3 of pharmacy may authorize the submission of the reports on a monthly
4 basis with respect to repeated, regular transactions between the
5 furnisher and the recipient involving the same substance if the state
6 board of pharmacy determines that either of the following exist:

8 manufacturer, wholesaler, retailer, or other person who sells,
9 transfers, or otherwise furnishes such substance and the recipient of
10 the substance; or

28 to read as follows:

37 means a sale or transfer to which any of the following applies:

1 (a) The circumstances of the sale or transfer would lead a
2 reasonable person to believe that the substance is likely to be used
3 for the purpose of unlawfully manufacturing a controlled substance
4 under chapter 69.50 RCW, based on such factors as the amount involved,
5 the method of payment, the method of delivery, and any past dealings
6 with any participant in the transaction. The state board of pharmacy

7 **Sec. 7.** RCW 69.43.040 and 1989 1st ex.s. c 9 s 441 are each

29 NEW SECTION. Sec. 11. A new section is added to chapter 69.43 RCW
30 to read as follows:

31 Sections 9 and 10 of this act do not apply to:

32 (1) Pediatric products primarily intended for administration to
33 children under twelve years of age, according to label instructions,
34 either: (a) In solid dosage form whose individual dosage units do not
35 exceed fifteen milligrams of ephedrine, pseudoephedrine, or
36 phenylpropanolamine; or (b) in liquid form whose recommended dosage,
37 according to label instructions, does not exceed fifteen milligrams of

1 ephedrine, pseudoephedrine, or phenylpropanolamine per five milliliters
2 of liquid product;

3 (2) Pediatric liquid products primarily intended for administration
4 to children under two years of age for which the recommended dosage
5 does not exceed two milliliters and the total package content does not
6 exceed one fluid ounce; or

7 (3) Products that the state board of pharmacy, upon application of
8 a manufacturer, exempts by rule from sections 9 and 10 of this act
9 because the product has been formulated in such a way as to effectively
10 prevent the conversion of the active ingredient into methamphetamine,
11 or its salts or precursors.

12 NEW SECTION. **Sec. 12.** A new section is added to chapter 69.43 RCW
13 to read as follows:

14 (1) In addition to the other penalties provided for in this chapter
15 or in chapter 18.64 RCW, the state board of pharmacy may impose a civil
16 penalty, not to exceed ten thousand dollars for each violation, on any
17 licensee or registrant who has failed to comply with this chapter or
18 the rules adopted under this chapter. In the case of a continuing
19 violation, every day the violation continues shall be considered a
20 separate violation.

21 (2) The state board of pharmacy may waive the suspension or
22 revocation of a license or registration issued under chapter 18.64 RCW,
23 or waive any civil penalty under this chapter, if the licensee or
24 registrant establishes that he or she acted in good faith to prevent
25 violations of this chapter, and the violation occurred despite the
26 licensee's or registrant's exercise of due diligence. In making such
27 a determination, the state board of pharmacy may consider evidence that
28 an employer trained employees on how to sell, transfer, or otherwise
29 furnish substances specified in RCW 69.43.010(1) in accordance with
30 applicable laws.

31 NEW SECTION. **Sec. 13.** A new section is added to chapter 69.43 RCW
32 to read as follows:

33 This chapter is applicable and uniform throughout this state and in
34 all counties, cities, code cities, and towns therein. A county, city,
35 code city, or town may not adopt or enforce any ordinance, pertaining
36 to this chapter, which prohibits conduct that is not prohibited under
37 this chapter, or defining violations or penalties different from those

1 provided under this chapter. However, this section does not preclude
2 a county, city, code city, or town from revoking, canceling,
3 suspending, or otherwise limiting a business or professional license it
4 has issued for conduct that violates any provision of this chapter.

5 NEW SECTION. **Sec. 14.** A new section is added to chapter 69.43 RCW
6 to read as follows:

7 (1) To prevent violations of section 9 of this act, every licensee
8 and registrant under chapter 18.64 RCW, who sells at retail any
9 products containing ephedrine, pseudoephedrine, or phenylpropanolamine,
10 or their salts, isomers, or salts of isomers, shall do either or may do
11 both of the following:

12 (a) Program scanners, cash registers, or other electronic devices
13 used to record sales in a manner that will alert persons handling
14 transactions to potential violations of section 9(1) of this act and/or
15 prevent such violations; or

16 (b) Place one or more signs on the premises to notify customers of
17 the prohibitions of section 9 of this act. Any such sign may, but is
18 not required to, conform to the language and format prepared by the
19 department of health under subsection (2) of this section.

20 (2) The department of health shall prepare language and format for
21 a sign summarizing the prohibitions in sections 9 and 10 of this act
22 and make the language and format available to licensees and registrants
23 under chapter 18.64 RCW, for voluntary use in their places of business
24 to inform customers and employees of the prohibitions. Nothing in this
25 section requires the department of health to provide licensees or
26 registrants with copies of signs, or any licensee or registrant to use
27 the specific language or format prepared by the department under this
28 subsection.

29 NEW SECTION. **Sec. 15.** If any provision of this act or its
30 application to any person or circumstance is held invalid, the
31 remainder of the act or the application of the provision to other
32 persons or circumstances is not affected.
