Brief Description: Allowing a business and occupation tax deduction for certain amusement devices.

HB 1332 - DIGEST

Provides that, in computing tax there may be deducted from the measure of tax amounts paid by the owner of an amusement device, as defined in RCW 66.44.316, to the person upon whose premises the device is operated, if the amounts are paid at the time they are collected from the amusement device.

Takes effect August 1, 2001.
