Brief Description: Ensuring a sustainable, comprehensive pipeline safety program in the state.

HB 1452 - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Declares the intent of this act is to ensure a sustainable, comprehensive, pipeline safety program, to protect the health and safety of the citizens of the state of Washington, and maintain the quality of the state's environment.

Finds that public safety and the environment are best protected by securing permanent funding for this program through establishment of a regulatory fee imposed on hazardous liquids and gas pipelines.
