Brief Description: Including computer images in the definition of "visual or printed matter."

**HB 1512 - DIGEST**

(DIGEST AS ENACTED)

Provides that, if, in the course of repairing, modifying, or maintaining a computer that has been submitted either privately or commercially for repair, modification, or maintenance, a person has reasonable cause to believe that the computer stores visual or printed matter that depicts a minor engaged in sexually explicit conduct, the person performing the repair, modification, or maintenance may report such incident, or cause a report to be made, to the proper law enforcement agency.

Declares that a person who makes a report in good faith under this act is immune from civil liability resulting from the report.
