Brief Description: Transferring the functions of the public printer to the department of general administration.

HB 1654 - DIGEST

Declares an intent to transfer the powers, duties, and functions of the public printer to the department of general administration to strengthen the ability of both agencies to provide optimal central services to their clients. By combining the resources of the two agencies, the legislature expects that service duplications will be eliminated, administrative functions streamlined, distribution networks coordinated, facility and equipment use maximized, and other efficiencies and economies achieved.
