Brief Description: Modifying the state scholars program.

HB 1893 - DIGEST

Provides that each year on or before February 1st, the principal of any student who lives in the state of Washington and commutes to a private high school in Oregon or Idaho may submit to the Washington association of secondary school principals the names of graduating senior high school students who have been identified and recommended to be outstanding in academic achievement based on the criteria established under RCW 28A.600.130. The association shall submit the names of these students to the higher education coordinating board as established in RCW 28A.600.140.
